REPORTS

ARKANSAS AND LOUISIANA METHODISTS

Report of Joint Commission

To the Louisiana Annual Conference:

We are happy to report a most successful year in the 1961 Circulation Campaign, with more than 38,500 persons now receiving the two papers. There was an increase of approximately 600 subscribers in Louisiana.

The success of the campaign convinces us that there should be no major revisions in the pattern which we have been following in this campaign.

To this end we recommend:

- (1) That the dates of January 7-14 be set as the time for the 1962 Circulation Campaign and that the same general plan be followed.
- (2) That the quotas again be based on 1 subscription for each 7 members and that the goal of 39,500 be set for the 1962 Campaign.
- (3) That the subscription price be continued at \$2.00 and that the \$1.50 rate be made available to churches where the subscription list equals one subscriber for every 3 members.
- (4) That the amount of \$4,600 be requested from each of the Annual Conference World Service and Finance Commissions.
- (5) That the executive committee be authorized to act for the joint commission in matters which must have action between commission meetings.
- (6) That Rev. Alfred A. Knox be reappointed as editor and business manager.
- (7) That appreciation be expressed to Dr. Ewing T. Wayland who has honored our publications by his selection as the new editor of the CHRISTIAN ADVOCATE.
- (8) That appreciation be expressed to Bishop Aubrey G. Walton and to Bishop W. Kenneth Pope for the impetus they are giving the papers in their area administration.

CHRISTIAN SOCIAL CONCERNS

Report of Board

In this first year of the existence of the new Board of Christian Social Concerns, the major effort has been concentrated upon or-

ganization and the adoption of a plan of operation. During the first year of operation, the Board operated with separation into Divisions. With the beginning of this session of the Annual Conference, the Board has divided itself into three divisions. J. P. Woodland is Chairman of the Division of Human Relations and Economic Affairs, John A. Dixon, Jr., is chairman of Peace and World Order, and Beverly Bond is chairman of the Division of Temperance and General Welfare.

The General Conference of The Methodist Church has assigned to the new Board of Christian Social Concerns many responsibilities not previously allocated to any agency of the church. The specified areas of Christian social concerns total 35. Included, for example, are such new areas of concern as traffic safety, population mobility, and technological change (automation). Due to the enlarged responsibilities involving problems of great complexity, the General Board of Christian Social Concerns has directed its attention in this year to organization, research, and convocations.

The Orientation Conference for the Quadrennial Program was attended by J. P. Woodland. Participants in the National Convocation on Christian Social Concerns included L. A. Foreman, J. C. Whitaker, and Douglas Jackson. L. Ray Branton was a delegate to a United Nations Seminar. Several members of the Board attended the Regional Briefing Conference at Mount Sequoyah. Thus the Conference Board has been responsibly represented in all the national activities involving the determination of the program areas of Christian social concern.

During the year an alcohol essay-speech contest was held under the supervision of the Division of Temperance and General Welfare. A word of gratitude is due the Louisiana Moral and Civic Foundation for its assistance and cooperation in the alcohol essay-speech contest. During the next year the essay contest will become a part of a Conference Youth School on Moral Concerns. This Board will cooperate with the state MYF in sponsoring this school.

In October the Board will sponsor a seminar dealing with "The Opposition of the Church to Communism." The General Board of Christian Social Concerns is in the process of preparing materials suitable for discussion of this subject. Particularly to be commended is the new film project stating a Christian answer to Communism. Since the Methodist Church is on the offensive against the atheistic imperialism of Communism, a seminar at the local conference level is projected as the first step in the church's program.

The Board wishes to inform the Methodists in Louisiana that it welcomes all inquiries concerning charges of Communism made by various groups against the Methodist Church and its clergy. The Board has a supply of materials available and will be glad to

hear from individual Methodists or local commissions wishing information.

Since many local churches have recently established the Commission on Christian Social Concerns for the first time, the Board wishes to be of the greatest possible assistance to these local leaders. Sample materials will be sent to each chairman of a Commission on Christian Social Concerns. Audio-visual materials for the use of local churches have been deposited with the Board of Education. The Board of Christian Social Concerns has scheduled its next meeting for October 6. It requests all Methodist members to submit matters of concern to the Board for its consideration. Submission of material by this early date will allow ample time for inclusion in the report for the Annual Conference.

The following calendar of observances relating to Christian social concerns is recommended for the 1961-1962 Conference year:
September 3—Labor Sunday.

October 22—World Order Sunday (para. 275, **Discipline**).

October 31—Halloween Observance of Trick or Treat for UNICEF

December 3—Commitment Sunday (para. 275, **Discipline**).

February 11—Race Relations Sunday.

May 6-13—National Family Week.

Also, we recommend that all local churches under the leadership of the Commission on Christian Social Concerns study the Social Creed and the miscellaneous resolutions contained in paragraphs 2020-2028 in the 1960 **Discipline**.

DOUGLAS JACKSON, Chairman

CHRISTIAN VOCATIONS

Report of Commission

The Commission on Christian Vocations began its work for this conference year by considering not only a program for the current year but by looking forward to the remainder of the quadrennium. To this end, several committees were named to plan for activities which will come later in the quadrennium, but for which planning was begun immediately. This long-range program includes the following:

1. **A TRAINING DAY - or WORKSHOP** — for the Conference Commission and representatives from each district. The purpose of this training day is to give guidance to the Commission in its conference work and to the Districts in planning Christian Career Conference and in encouraging the organization of Local Committees on Christian Vocations in every Church. It is hoped that each district will follow the training day with district or sub-district workshops on the work of the Local Committee on Christian Voca-

tions. Dr. Richard Bauer, the Executive Secretary of the Interboard Committee on Christian Vocations, will be the guest and resource person for this training day, which will be held July 5th at the First Methodist Church, Pineville, La.

2. A TESTING PROGRAM to be carried out at the Conference Youth Assembly. Because this program involves the giving of tests, which must be interpreted and followed by individual counseling sessions, only 24 selected young people can have the opportunity to participate. Dr. Charles Odom, a New Orleans counselor in private practice, has been secured for this service.

3. AN IN-SERVICE TRAINING PROJECT. A committee is now working on plans by which the Commission can make it possible for at least one young person, who needs summer employment and is planning on a church-related vocation, to have the practical experience of working in a local church, within a district, or in one of the church or Woman's Division Institutions within the conference. It is hoped that, though the Commission will not have funds to provide this experience for more than one young person, a plan may be developed by which the Commission will be able to match young people to job opportunities in churches or institutions, which have funds for such employment.

4. A CONFERENCE-WIDE CONFERENCE ON CHRISTIAN VOCATIONS. It is hoped that this conference may be a part of the 1962 program, during the time of the special Recruitment emphasis. Among other things, it will bring together those young people already committed to a church-related vocation for fellowship, mutual encouragement, and spiritual undergirding.

During this current year, six of the eight districts held Christian Vocation Conferences. In the five districts which reported, 251 young people and 78 staff personnel participated in the programs in which 16 different types of job opportunities were presented. In the light of these reports, a special committee will seek to evaluate this type of experience and perhaps make recommendations for improvement. Four of the six districts requested and received financial aid from the Commission.

Also, during the current year, each District Superintendent was asked to have a presentation of the need for, and the work of, the Local Committee on Christian Vocations at one of his Minister's meetings. The Commission offered to supply each district with sufficient copies of the Manual on the Local Committee on Christian Vocations for each pastor and to defray expenses of a Commission member to make the presentation, if this was desired.

The Commission is attempting to secure a list of Chairmen of Local Committees on Christian Vocations. As far as we know, there has been no promotional contact between the Conference Commis-

sion and Local Committees. As chairman of the Commission, I should like to express my appreciation to the District Superintendents for their cooperation in this effort.

This year the Commission has secured the services of Mrs. Benton Patterson of Pineville, to keep the Name File. As of April 25th, letters and Basic Information Forms had been sent to 173 young people who had expressed an interest in a church-related vocation. Eighty replies have been received. As the forms are returned, indicating interest in, or requesting information on, specific types of work, related materials are being sent. A record of such contacts is being kept on Cumulative Record Forms. There are many categories on job interest checked by these young people, but the largest groupings are as follows: The Ministry 17; Missions 18; Directors of Christian Education or Youth 11; Teaching 8; Social Work 4; Ministers of Music 3; and Undecided 7.

The follow-up with young people who have indicated an interest in a church-related vocation is one of our greatest responsibilities and greatest weaknesses. As our plans develop, we hope to channel the names of young people to proper conference boards and agencies, as well as to the districts, for additional cultivation. Contacts from the conference and district levels are helpful and should be continued. However, recruitment springs, basically, from within the local church; so there is no substitute for the more intimate and personal contact which can be provided at this level. We plead, therefore, for the assistance of both clergymen and laymen to see that your churches have a functioning Committee on Christian Vocations. It is both our responsibility and opportunity to confront the entire church membership with the philosophy of Christian vocation and with the challenge to be found in the thousand job opportunities under the Church.

DEACONESS BOARD

The Report

In keeping with its responsibility for promotion of Deaconess Service, the Board reports:

1. A Deaconess **Interest Center** was arranged at the **Methodist Youth Assembly** with leaflets about Deaconess Service and Relationship made available to interested young people.

2. **Deaconess Place Mats**—giving brief history of the Deaconess Movement, names of retired and active Deaconesses, their locations and types of work in the Louisiana Conference — have been used in many conference and district meetings.

3. Miss **Betty Ruth Goode**, a Deaconess working with the Commission on Deaconess Work, visited **five college** campuses in cooperation with the Directors of the Wesley Foundations and Methodist Student Movement. She had personal conferences with **twenty-five young people** in addition to speaking on the Deaconess Relationship and the need for young people to serve through Church

Related Vocations at home and throughout the world. She spoke to both young and adult groups.

4. Deaconesses report they have **made twenty-five talks** to youth groups, Mission Tours, Woman's Societies of Christian Service, Wesleyan Service Guilds, and Church School groups. They have attended one Christian Career Clinic. They have held private conferences with thirty young people.

5. The film "**Make All Things New**" has been shown to groups throughout the Conference.

At our annual meeting, **Miss Mary Lou Barnwell** interpreted the Deaconess Relationship and the importance of the work of the Conference Deaconess Board. **Bishop Walton** challenges us to renewed dedication as he brought the message "**Commissioned to Serve,**" in our opening worship service.

Miss Fae Daves represented our Board at the **South Central Jurisdiction** Deaconess Association in Little Rock and brought us the challenge and inspiration of that meeting — with suggestions for us to work on in our own conference.

We are glad to report that there seems to be an increase in awareness of the Deaconess Relationship throughout the Conference, but we feel there is still much to be done in presenting to the young women of our churches the challenge of service in this relationship. We would like to ask your cooperation in meeting this great need.

EDUCATION

Report No. 1 of Board

Section 1: Centenary College

During the past year Centenary College has continued to take steps toward the building of a superior Christian college of liberal arts in at least three areas, namely, curriculum improvement, increase in teachers' salary scale, and building construction.

Dr. Goodrich C. White, formerly president of Emory University, this spring made a detailed study of the college curriculum, and has recently returned his report to us. This report will be given thorough consideration within the coming months in order to improve the college curriculum.

— Last month we launched a Great Teachers Fund in Shreveport for the purpose of raising \$75,000 to increase teachers' salaries for 1961-62. This campaign is now well over the \$70,000 mark, and we

believe it will be successfully completed within the next few weeks. The success of this effort has enabled us to raise teachers' salaries for the coming year, thus bringing our salary scale closer to that of other superior Christian colleges throughout the country. Our salary scale is still below what it should be, but we are pleased at the success of our efforts in this direction during the past year.

The R. E. Smith Religious Activities Building, which will cost in excess of \$250,000, is scheduled for completion by the beginning of the fall semester in September. This will be the 10th building completed since 1950, at a total cost of approximately \$4,250,000. While the delegates to this Conference are on our campus, an inspection of this building is invited.

The first floor of the R. E. Smith Religious Activities Building will provide offices and classrooms for the Department of Religion, and facilities for caring for the Methodist Student Movement, including an assembly room with a seating capacity of approximately 250 persons. This room will be especially designed for the showing of slides and films, and can be utilized as a lecture room. A small kitchen will be provided adjoining the assembly room. The entire upper floor will be occupied by the Board of Education of the Louisiana Conference, the district superintendent, Methodist Information, and the bishop of the Louisiana Area. This building will be a very valuable addition both to the college and to the church.

This past year Centenary has received approximately \$77,823 on the "\$1.00 per Member" program, and an additional \$11,051 on special contributions from four districts. In addition to this, in the Shreveport District gifts received through the college Development Office especially marked for the R. E. Smith Building amounted to \$5,935. This brings the total for both the college operating account and the R. E. Smith Building up to \$94,809. Under our agreement with the Conference, \$50,000 of this amount goes to the college operating account, while the remaining \$44,809 can be applied to the R. E. Smith Building Fund. This means that approximately \$100,000 is still needed for the R. E. Smith Building Fund. It is our hope that all of the churches during the coming year will place great emphasis upon the "\$1.00 per Member" program in order that this amount may be realized as soon as possible.

Last fall Centenary enrolled 806 full-time students, and 787 special students. Including Summer School, the total number of individuals taking work at Centenary during the past year was 2,223. Of the 806 full-time students enrolled in the fall of 1960, 434 were men and 372 were women. Of these, 297 were in the dormitories.

The completion of the R. E. Smith Religious Activities Building will enable us to have a more vigorous program in student religious activities in 1961-62. Rev. Don Guynes, who has served with enthu-

siasm and devotion as Director of Religious Activities for the past two years, will take advantage of a fellowship which has been offered him to further his education at the Pacific School of Religion.

I am glad to report that Bishop Aubrey Walton has indicated his willingness to appoint Rev. Robert Ed Taylor, one of Centenary's respected graduates of 1952, as Minister to the Campus. We have high regard for this young man and believe him capable of giving leadership to the religious life of both faculty and students.

It gives me pleasure also to report that Dr. Robert W. Goodloe, distinguished retired professor from Perkins School of Theology, will be with us during the coming year for a few courses in religion. Dr. Goodloe's outstanding ability will be a real intellectual and spiritual stimulation to us.

Religious preferences of the 806 full-time students enrolled last fall were as follows:

Methodist	44.07%
Baptist	23.59%
Catholic	8.48%
Episcopalian	6.99%
Presbyterian	5.49%
No preference	3.98%
Christian	1.62%
Church of Christ	1.49%
(Fourteen other groups formed 4.29%)	

Vice President Leonard Cooke has spoken in 36 different churches over the state during the past year, and has shown colored slides of the college in many of these churches. His report to the Board of Trustees noted the establishment of three valuable scholarships for Centenary College, as follows:

1. **The James W. Lincoln Memorial Scholarship**, given by Mr. H. D. Harper, Jr., and Mr. and Mrs. W. W. Lincoln, in the principal sum of \$20,000, in memory of their son, James, a student at Centenary College.

2. **The Janie Cunningham Memorial Scholarship**, established by Mr. James M. Cunningham of Rayne, Louisiana, in memory of his mother. This was given in the form of oil royalties valued at \$30,000. Its benefits are restricted to those studying for the ministry or medical missions.

3. The most recent endowed scholarship has been established by Mrs. Callie Ann Cogdell Avery of Vivian, Louisiana, in the sum of \$10,000. The income is restricted to an outstanding Methodist ministerial student.

The college is deeply appreciative of these scholarships. Centenary is in need of many more endowed scholarships and asks the

cooperation of each of you in bringing to the attention of persons who might be interested.

This past year Centenary received 5 National Methodist Scholarships valued at \$500.00 each. The number of these scholarships received is determined by the offering in the churches on Methodist Student Day which is the second Sunday in June. We urge all churches to take a contribution on this day so that we may receive additional National Methodist Scholarships.

The Board of Trustees of Centenary College met on May 26, and at that time nominated to the Conference for reelection all members of the Board of Trustees whose terms expire in 1961, as follows: G. M. Anderson, Lamar Baker, J. Henry Bowdon, S. Perry Brown, Milton Crow, D. L. Dykes, Jr., W. H. Giles, Robert E. Goodrich, Jr., James T. Harris, A. J. Hodges, Mrs. E. E. Hurley, G. W. James, John L. Scales, Sr., B. C. Taylor, Henry S. Weisman and Edwin F. Whited.

A special honor has come to the Centenary College Choir in that it has been invited to sing in Radio City Music Hall, New York, beginning June 29, and running for a period of at least four weeks. During that time it is estimated that they will sing to at least 500,000 persons. Only two other college choirs, namely, Dartmouth and George Washington University, have received this honor in the past. I feel that this new national recognition is well deserved by Dr. Voran and his fine choir group.

We wish to request the bishop to reappoint to the college Dr. R. Leonard Cooke, Dr. W. F. Pledger, and Dr. Webb Pomeroy. Also, we request that he appoint Rev. Robert Ed Taylor to the college effective June 1.

At our Commencement Exercises on Sunday, May 28, the college was pleased to confer the honorary Doctor of Laws degree on former Governor Sam Houston Jones, and the honorary Doctor of Divinity degree on Rev. Henry Arberry Rickey.

EDUCATION

Report No. 1 of Board

Section 2: Methodist Student Work

"The General Conference proclaimed the Lordship of Jesus Christ to the university community. It will be done through our colleges, universities and Wesley Foundations. 'University community' means the students and faculty as a body and as individuals. The purpose will be to present the gospel in such a way that one

must make decisions and commitments for Christ." (from Quadrennial Emphasis, 1960-64 brochure, CHURCH AND CAMPUS).

What does this mean in terms of our Annual Conference? We have 43,600 students enrolled in our colleges and universities in Louisiana. 5,918 are Methodist students and we have approximately 500 Methodist faculty teaching in these institutions of higher education. It means that individually and in group meetings we are seeking to proclaim the Lordship of Christ to the campus.

How is this being done? First, the campus minister is a pastor. He counsels with students. He seeks to speak of faith, hope and love when the discouraged student has no faith, hope and love. So we are engaged in a pastoral ministry on campus. Second, worship. The search is on among students and faculty for God. This has expressed itself in an emphasis on worship as a vital part of our Wesley Foundation and MSM's. In worship we proclaim the Lordship of Christ, and many students come alive to the meaning of their life in the university. Third, study. In seeking to implement this year's program emphasis "The Church's Mission in the Academic Community," the most effective work was done in small study groups; "Study-Covenant groups" "Study-Involvement groups" and classes in our Wesley School of Religion." Regardless of what these groups are called, it has been said that the renewal of the Church can be seen in such committed students. It has surprised many that Christian students will seriously study the Christian faith. This recent trend is encouraging. We congratulate the campus ministers who are rendering an effective **teaching ministry**.

Our Wesley Foundations and MSM group at Centenary College gave \$2,015.00 to the Methodist Student Fellowship Fund this past year. Several of our student groups have established personal contacts with "Fellow Colleges" and "American Colleges" by means of exchanging tape recordings, letters and the use of color slides. Yet we have an even greater opportunity for service and a more personal relationship with overseas students. Many international students are active in our Wesley Foundation MSM groups in Louisiana. To this point Dr. H. D. Bollinger has recently written, "The nationals of the nations of the earth have come to our universities for study. Forty-five thousand were here last year. Direct evangelism-missions could be combined in one tremendous outreach of the Church to these splendid young people. Where is there a greater evangelistic opportunity? Suppose Methodism would pay special attention to these young people for four years! What would happen for Christ and His Kingdom?"

This year the Louisiana Methodist Student Movement and the Ohio Methodist Student Movement participated in an experiment called "Life and Mission of the Church Teams" sponsored by the

Student Department of the Board of Missions (offices, 475 Riverside Drive, New York 27, N.Y.) The Louisiana team was composed of Dr. P. C. Balaram, Associate Director of Cultivation of the Joint Section of the Division of World Missions of the Board of Missions of the Methodist Church (a Methodist minister from India) and Rev. Allen O. Jernigan, State Director of the Louisiana M.S.M. The team traveled throughout the state March 6-19, 1961 to our Wesley Foundation and MSM groups. This tour created great interest in India. One or two of our students are thinking of becoming missionaries to India. In many respects we feel that this experiment was successful.

As an outgrowth of this contact with Louisiana, Dr. Balaram has proposed a seminar-work camp in India for the summer of 1962 for the Louisiana Methodist Student Movement. The proposal has been endorsed by the General Board of Missions, Bishop Walton, our Conference Boards of Education and Missions. Let me briefly outline the proposal:

1. The Seminar is to include a maximum number of 21 and a minimum of 15 students.
2. It is open to college students, both men and women, who are at least in their junior year of college.
3. The trip will be made by boat via Europe.
4. A study program is to be organized for the group while they are on shipboard. The study program is to include: (a) Bible Study; (b) India, and (c) the Life and Mission of the Church.
5. While in India the group will go to various youth camps that will be held at that time.
6. The detailed program of travel in India will be worked out later.
7. The approximate cost will be \$1,000 per person for the whole trip.

At first the proposal was made only for Louisiana, but within the past two weeks I have a letter from Dr. Balaram that the North Carolina groups are all excited about this project and are willing to sponsor at least six or seven young people if not more to be included in this project. I hope you will encourage and support our students who will be applying for the opportunity of a lifetime seminar work-camp to India summer 1962.

The Louisiana Annual Conference has adopted \$1.00 per member for Wesley Foundations. In a nutshell, here is our situation. We have over one half million dollars with less than 10 per cent indebtedness on our physical Wesley Foundation plants, yet our operational budgets stand or fall on an overall Conference support of the \$1.00 per member plan. Realistically speaking, we realize from

reports already received that all local churches have not included \$1.00 per member for Wesley Foundation support in their budgets. However, we rejoice in the spirit in which the \$1.00 per member asking is being received.

Some of our Wesley Foundations have suffered this year from lack of funds. We are being cut from other sources. The \$5.00 Plan has been eliminated, for we now seek an all out effort in interpret the \$1.00 per member plan.

We are coming to see our Wesley Foundations, as well as our Methodist Centenary College, as a Conference responsibility. These Methodist institutions represent the totality of Methodism as a state, independent or church-related college or university. Therefore, the \$1.00 per member asking for Wesley Foundations and Centenary College represents what our Conference feels to be an effective ministry in Christian education.

I always like to close a report with prayer, for it is only in the context of prayer can we proclaim anew Jesus Christ as Lord. It is my prayer that we might be open to the leadership of the Holy Spirit, that we might be effective witnesses to the Lordship of Christ on the campus, and that God might grant us the courage and grace to do His will.

The Board of Education for the new quadrennium met in a two-day session, at Camp Brewer, September 12 and 13, to study the quadrennial program, set up committees, and propose goals. Dr. Walter Towner, of the General Board staff, assisted in this meeting. Copies of the goals adopted, committees created, and program areas were distributed to Board members.

The five Conference councils and eight district staffs have met in regular planning sessions.

The staff of the Board of Education is assisting in the nine thrusts of the quadrennial program as outlined by our Bishop, with special reference to new Church Schools and increased Church School enrollment.

We are concerned over our loss in church membership and Church School enrollment, as reflected in the 1960 reports. The age group councils and the Church School Administrators' Conference will give attention to this condition.

Leadership - Laboratory Schools

We are developing an effective district program of Leadership Schools under the leadership of the District Director of General Church Work. This is reflected in the increased number of schools held in 1960-61.

Leadership Schools	62
Laboratory Schools	8
Total	70

A coaching conference for prospective instructors was held at Camp Brewer on May 1, 2, and 3, with Miss Vera Zimmerman and Miss Margie McCarty, of the General Board staff, as leaders. Twenty-three workers attended.

We now have 156 persons certified as instructors who are authorized to teach approximately 300 courses.

Out of Conference Leadership Training

39 adults and 15 children enrolled in the Leadership School at Mt. Sequoyah.

8 delegates attended the Recreation Workshop at Camp Egan, Oklahoma.

2 delegates attended the Regional Camp Leaders' Conference in Oklahoma, in December.

Camping

We are turning a new corner in our camping program in the Louisiana Conference, and the Bishop has appointed a quadren-

nial committee to study and recommend a central camp and conference site.

Under the direction of Dr. Ben Oliphint, our Conference Chairman, the district directors of camping and the camp directors have met and evaluated the program. A new plan for training camp staffs is now in operation, with sessions held on May 18, 19, 20, and June 8, 9, 10, 11.

This program now points toward helping local churches develop their own camping programs, especially in Day Camping for Juniors. The Conference Camping Committee plans activities in the following areas:

- One-week Camps for Juniors, Junior Highs, and Seniors
- Rustic or Pioneer type Camps
- Institute type Camps
- Workshops
- Trailer Camps (district, conference, and local church)
- Trail Hikes for special groups
- Group Tours of Methodist Institutions
- Older Adult Camps
- Family Camps

Educational Buildings

Methodist Churches in Louisiana continue to build for Christian Education. The Executive Secretary is called upon many times during the year to survey local church situations, draw up schedules of space needs, and evaluate architects' plans. He has helped 18 churches in this program this year.

Directors of Christian Education

Directors of Christian Education and Educational Assistants are organized into a conference fellowship with the Executive Secretary as advisor. This professional group meets twice each year for study, fellowship, and exchange of ideas. All of them teach in Leadership Schools and three of them serve as District Directors of General Church School Work. They assist in sponsoring the annual Conference for Church School Administrators.

There are 20 Directors of Christian Education and Educational Assistants now actively serving in local churches in the Louisiana Conference. (See printed list in Conference Journal.)

Children's Work

Miss Shiela Nuttall continues to grow in her leadership of the program of Children's Work. She has made many visits to local churches, district and sub-district meetings, and has taught in seven Leadership Schools.

A Day Camp Leaders' Conference was held in three sections of the state, with Miss LaDonna Bogardus as General Board leader. Workers from 30 local churches attended.

The Conference on Christian Faith for workers with children was held at Centenary College, in August. Twenty-one churches sent representatives.

The Coaching Conference, in April, was sponsored by the Conference Council of Children's Work.

The Vacation School Institutes were well attended in all the districts.

Youth Work

The loss of Miss Louise Sharp was a severe blow to our conference program; but our District Directors of Youth Work have carried on, and Miss Sharp has been able to meet with the Youth Council.

We feel that Rev. Lawrence Gilbert, our new staff member in Youth Work and Camping, will bring strong leadership in these phases of our program.

During this quadrennium, we are giving special attention to Junior Hi work and the new Older Youth program. There will be two Annual Conference youth organizations, Seniors ages 15-17, and Older Youth, 18-21.

Adult Work

The Adult Council met for planning and carried out a number of district and sub-district projects. Two Older Adult Camps and two retreats were held. A new emphasis on Young Adult Work will be part of the quadrennial program.

Student Work - Higher Education

Although a separate report on Student Work will be made by Rev. Allen Jernigan, I will say that this phase of our program is a growing concern. More Methodist youth are going to college and major decisions for life work and service are made in the college community. The Conference Board has a functioning Commission on Student Work which gives guidance and authority to the program. The Executive Secretary has an advisory relationship to the Wesley Foundation Directors.

We are concerned with adequate financial support for this program through the Dollar per Member plan.

The Executive Committee, in January, elected Mr. J. C. Love, Jr., as chairman of the Commission on Higher Education, a quadrennial committee of the Board that will promote the interests of Methodist Student Work and Centenary College.

General Church School Work

The eight District Directors of General Church School Work have been active this year, especially in promoting the 70 Leadership Schools. In most districts, meetings of Church School officers have been held under their leadership. The District Directors have met twice during the year for planning. With the Executive Secretary, they sponsor the annual Church School Administrators' Conference. Dr. Walter Towner, of the General Board staff, met with the District Directors in September.

Audio-Visual Aids Services

The Board of Education has developed a large circulating library of audio-visual materials and is the conference depository for material from the other Boards. In the library, there are 112 film strips and 17 films. About 30 pieces a month are mailed out from our office.

Loan Library

Miss Shiela Nuttall is developing a circulating library of books for workers with children. In this library, there will be some books of a general religious nature.

REPORT OF BOARD OF EVANGELISM

The last commission Jesus gave to His disciples was: "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father, the Son and the Holy Spirit, teaching them to observe all that I have commanded you; and lo, I am with you always, to the close of the age".

Evangelism is, therefore, the total church program, undergirded by the Holy Spirit, bringing salvation to the lost, redeeming human society, developing life into Christian maturity and stewardship, uniting mankind into a Christian brotherhood and a world of peace. Evangelism promotes Christ as Lord in all of life, over all of life and throughout all of life.

In the consciousness of this great commission your Board of Evangelism reviews the entire church program with interest and concern, and offers its help and support in all phases of our church's endeavors. "Christ Is Lord" must be proclaimed in every phase of our church program.

We earnestly urge an increased zeal in our evangelistic efforts.

That we become more deeply concerned in reaching the unreached, returning to activity the inactive, bringing the young and old into a closer fellowship with Jesus, growing into a deeper Christian maturity with a compassionate love for all men as dwells in the heart of Jesus our Lord.

A slogan for Methodism in this quadrennium has been adopted by General Conference action. It is JESUS CHRIST OUR LORD. This is a wonderful slogan and worthy of our enthusiastic employment, but the repeating of a slogan will not in itself usher in the kingdom of God among men. We must truly make Him Lord of our lives and proclaim His Lordship among the people with all the ability and strength we possess. If the preachers and leading laymen of the Louisiana Annual Conference will take seriously the Lordship of Jesus Christ we will see a great awakening in our churches.

Your Conference Board of Evangelism would therefore challenge you to a renewed and reawakened interest in and concern for the lost among us. This will lead us to a more active program of evangelism in every church through preaching, teaching and visitation. It will also lead us to a more zealous effort to reclaim our lost and indifferent church members. A careful study of any church roll will show the need for seeking the lost ones in our membership.

We would like to set as a goal to be attained during this quadrennium the following: No barren churches in the conference and no preachers empty handed when the count of additions on Profession of Faith is made. We would urge that the District Superintendents and the District Secretaries of Evangelism make this a major concern and that they constantly remind our pastors that their greatest task in life and their greatest opportunity is to win souls for Christ and His Church. Several years ago we set as a Conference goal one addition on Profession of Faith for every 20 members in the church. In 1958-59 we reached one for each 29 but in 1959-60 we dropped back to one on Profession of Faith for every 36 members. Let us again aim for the goal of one for twenty and let every pastor work diligently toward this end.

If Jesus Christ is to be Lord in deed as well as in word it will lead to a renewal of our Loyalty to Christ. This loyalty to Christ will be expressed in loyalty to the church. In this day when so much criticism of the church is so widely and often flagrantly sounded in the ears of our people, we should call them to a renewal of their vows of loyalty to the Methodist Church, to support it by their attendance, their prayers, their gifts and their service. We would recommend to all our churches the use of a "Service of Membership Renewal" prepared by our General Board of Evangelism or some similar service of rededication and would suggest the use of a Sunday early in the Lenten season for this service.

We earnestly recommend the use of the materials of our Gen-

eral Board of Evangelism, especially in the area of Spiritual Life and Prayer. Let us encourage family prayer by a wider distribution of "The Upper Room." Let us lead our people to a deepening of their prayer life by urging them to organize prayer groups or cells. We especially recommend the organization of groups of "The Twelve" for prayer, study and witness.

We suggest that we adopt as Goals and Emphasis for the conference year 1961-62 the following:

1. Presentation, by the District Secretary of Evangelism, of the goals and emphasis in Evangelism in the June District Preachers Meeting.

2. Attendance from every district of both laymen and preachers at the Conference on Evangelism at Mt. Sequoyah, August 14-17.

3. Larger attendance at the 3rd Annual Conference on Spiritual Birth and Growth at Camp Brewer, September 14-15. Dr. Roy Burkhardt will be our resource leader.

4. Organization and USE of the Commission on Membership and Evangelism in every church.

5. Every church participating in a program of visitation evangelism as well as preaching revivals. NO BARREN CHURCHES: Every preacher a soul winner.

6. Church membership training classes for children, youth and adults in every church with meaningful services of reception into church membership.

7. A service of rededication and renewal of church vows in each congregation.

8. Wider distribution of "The Upper Room." Emphasis on family prayer. Organization of prayer groups such as "The Twelve."

HISTORICAL COMMISSION

Report of Commission

The Historical Commission of the Louisiana Conference met and elected the following officers: Rev. R. L. Clayton, Chairman; Rev. A. D. St. Amant, Secretary.

Your Chairman has had considerable correspondence with the Jurisdictional and other historical commissions and others interested in maintaining adequate historical records throughout the church.

We invite your inspection of the Historical display at this session of the Conference.

The Archives of the Louisiana Conference are maintained in the Whitney National Bank of New Orleans and we recommend that the principal officers of this commission, Rev. R. L. Clayton and Rev. A. D. St. Amant be given access to the same, along with Rev. R. H. Harper, and Rev. Jack H. Midyett.

We urge that every charge in the Louisiana Conference arrange at once to have adequate historical records of their own charge written at once by a responsible individual and that copies of each of these records be maintained by the local church and copies be sent to the Louisiana Conference Historical Commission. We hope in this manner to ultimately build a valuable collection of adequate and accurate historical information for the benefit of the church.

We further recommend that Mrs. W. M. Nolan of Oak Ridge be added to this Commission.

HOSPITALS AND HOMES

Report of Board

The 1960-1964 quadrennial emphasis of the Methodist Church is "JESUS IS LORD." We, of the Louisiana Annual Conference, need to see this "LORDSHIP" in relation to the needs of a health and welfare program. It has been a long time since our Conference has added any new institutions of service in this field to our program. We have doubled in membership since establishing our Methodist Home Hospital and the Methodist Children's Home. We have been content to pass-by and let the state dole out assistance. It takes more than individuals to care for some needs. A great Conference like ours must have a corporate concern for the needs of people if it expects to avoid the rebuke, "In as much as ye did it not unto the least of these, ye did not unto Me." His Lordship for an Annual Conference must be heard calling us to venture into answering many calls, such as: the meeting of the newly discovered needs of housing, care, and ministering to the aging; the sharing in establishing of Hospitals that minister to the sick in the name of Christ; to the improvement of our counseling techniques, both of Ministers and Chaplain's to the sick; to the improvement of our Children's Homes in meeting the present day needs of our children and to the continuing of our ministry to unwed mothers and their babies. If we take seriously the "LORDSHIP OF JESUS," these things become more than opportunities — they become imperative. We must, in the name of Christ, minister to the needs of our people. The great social agencies of our day are enlarging and making more clear, needs in many areas.

The social state will minister to our hospital needs of people, but we of the Church must help set the pattern by establishing Hospitals that expand people into persons for whom Christ did not disdain to die.

The program of the Hospital and Homes Board includes six types of service for our Annual Conference to foster:

I. ESTABLISHING OF HOSPITALS WHERE POSSIBLE

- A. The Hospital at West Monroe will be completed and ready for operation on or about March 1, 1962. The Louisiana Annual Conference at this season will have presented to it a charter; terms of agreement and names of trustees, that this Hospital may be operated by the Methodist Church of Louisiana. We commend Rev. W. D. Milton and Rev. James Harris for their foresight in this program.
- B. The New Orleans District Methodist Men have under consideration, the building of a Methodist Hospital in New Orleans. It is hoped that this will also be ready for presentation to this Annual Conference session.

II. THE IMPROVING OF CHAPLAIN'S SERVICE, WITH A PROGRAM OF IMPROVING THE COUNSELING SERVICE OF ALL MINISTERS

- A. We hope to set up programs within the Annual Conference to foster cooperation and understanding between Ministers and Doctors in understanding the Minister's role in healing.

III. THE ESTABLISHING IF POSSIBLE, A HOME FOR AGING, OR A HOUSING PROJECT FOR AGING IN EVERY DISTRICT IN CONFERENCE

- A. Consideration is being made of having a housing development for aging, established at Ruston on the grounds of the Methodist Children's Home.
- B. We hope to have a report from the Lafayette District concerning a gift of fifty-five (55) acres at Sunset, Louisiana, and \$45,000 for the establishing of a Home for Aging.
- C. We would like to see our program for retired Ministers become a part of the Hospital and Homes program, a program that has been established by the diligent labors of the Rev. James Grambling.

IV. TO FOSTER WITH THE HELP OF THE BOARD OF EDUCATION, A PROGRAM OF UNDERSTANDING THE MINISTRY TO AGING.

- A. Many old persons are lost in lives of senility and seclusion because of the lack of understanding of aging. With an active program of education in our local Churches, we can help our elderly people maintain fuller, richer lives.

**V. TO THE KEEPING OF OUR HOMES AND INSTITUTIONS EVER
ALERT TO CHANGING PATTERNS OF SERVICE**

- A. We commend the work of the Methodist Home Hospital in New Orleans. It is doing a unique work of caring for the unwed mothers and their babies. Dr. L. D. Haughton continues to render outstanding service as the Superintendent of this home. The Methodist Children's Home at Ruston for many years rendered unusual service providing custodial care for orphaned children. Social Security and new advances in medicine, prolonging and protecting lives of parents, and awareness on the part of the State, have combined to gradually make this service unnecessary. The Methodist Children's Home has taken a new look at itself, and the most pressing need of children and their families in today's society. Looking at the children of today, the problem is not the child whose parents are dead, but the disturbed, displaced, and the academically retarded child. Your Conference Board feels that our Methodist Children's Home is rendering a ministry to children and their families that witnesses to the Lordship of Christ. This calls for skilled leadership, not only in the Superintendent, but in the entire personnel of the institution. We wish to commend the Board, the Staff, and the Superintendent, the Rev. Harry Ezell, for launching out in this new direction.

VI. STEWARD OF HOSPITAL AND HOMES

- A. This is not merely the work of a Board set apart from the Conference. This is the work of the Louisiana Annual Conference, and all the local Churches in the state. Our Board merely lifts up the challenge. The General Board has emphasized this by asking that every local Church elect a Steward of Hospital and Homes. We are asking that every pastor study the little pamphlet, "You Were Chosen Hospital and Homes Steward," and try to have their local Church represented by one who can set a good pattern of activities for this job. We ask each District Superintendent to select a person to foster this interest in his district. Let us repeat the "LORDSHIP OF JESUS," as Paul says, "constrains us."

HOSPITALS AND HOMES

**Report of the Superintendent
Methodist Home-Hospital**

This report is made at the close of the fiscal year February 28, 1961. This is our eighth report to the Annual Conference.

The Home Hospital this year has rendered service to more girls than in any year during this administration of eight years - 132. With each girl comes also a distraught family in the darkest hour that ever comes to any family. Even with added numbers the quality of the work is the same.

We have also placed the highest number of babies for adoption - 77. We still have not been asked to withdraw a baby. During eight years we have placed 440.

Please allow me first to summarize our general conditions. The State Department of Public Welfare has completed its eighth study under this administration. There were no unmet requirements to jeopardize our licenses. Certain suggestions were made to improve our services. These have all been noted and are being incorporated in our procedures as fast as possible. The lady who made the study was very much impressed by our progress. Before counseling with us about the study she said she wanted it understood that we already met all our requirements and her requests were purely suggestions for improved service.

No report of the progress and successful operation of this Home-Hospital would be complete without cordial words of appreciation for a wonderful staff. They are all Christian characters and Church members. Non-drinking, non-smoking (except two smokers). In eight years we have been assembling this staff. We are amazed that we have been able to get them and to hold them in the strong competition of this Medical Center. The Holy Spirit has helped us again.

The resources of the Social Work Department have been extended to the limit this year. It is evident that we must continue to strengthen this staff. At the last Board Meeting we asked and were granted two scholarships to be used during the school term of 1960-1961. Miss Evelyn Murphree, our Supervisor of Social Work, accepted one of these scholarships and is now in Tulane University. She will finish her Master's Degree and assume active status with us in June. During her absence Mrs. Catherine Healey has been our Supervisor of Social Work and has rendered excellent service.

The other scholarship was accepted by Miss Johnnie Webb, a graduate of Louisiana Tech at Ruston, and an active member of the Wesley Foundation there. She is now in Louisiana State University School of Social Studies. She will be on our staff June 15, 1961.

We are not asking for a scholarship this year.

The adoption department is in good condition.

For several years now the Department of Public Welfare has urged us to coordinate our work with the girls under one qualified Social Worker. We plan to do this beginning in September of this

year. Mrs. Healey is available as a part time worker. We are employing her for as much time as will be necessary to initiate this important improvement. We are very fortunate to start with such competent leadership.

The nursing staff is complete at present. We have five competent, registered, graduate nurses. We are fortunate to have our girls and babies in such good hands. We have qualified applicants to assure continued competence. We have 23 fine doctors on our staff.

The Women's Auxiliary continues to be a strong arm of our operation. They have been especially active this year. Their project was an aluminum cover for the patio. They also have monthly commitments for non-budgeted items. Their membership is over 300.

The financial situation is satisfactory. Inflation caused us to overspend the budget. Increased population contributed also. The budget for the new year is made on this experience.

Attention should be called to the fact that the total giving of all the churches last year amounted to \$82,000.00. The budget is \$117,000.00. This leaves a balance of \$35,000.00. Of this amount we ought to get \$10,000.00 from the patients, their parents or sponsors. This can be accomplished if all Counselors, including pastors, will emphasize that if a girl or her parents are able they should help make up this deficit. We have not turned away a girl in eight years because of finances.

Our people should be encouraged to include this worthy institution in their wills.

To meet our needs for 1961-1962, we ask that the Louisiana Conference accept the same percentage and continue to give special emphasis to the Christmas offering. We are confident that an earnest, enthusiastic appeal will furnish our needs.

The Superintendent is spending a part of most Sundays in the Churches, preaching and presenting the cause we represent. He is available for engagements as far as time will permit. He speaks to the adult classes on a "question and answer" basis when allowed to do so. He preaches at the morning services on the Christian principles related to our work.

The Methodist Home Hospital needs an elevator. One was included in the original plans but had to be omitted to cut costs. An estimate made by a reliable elevator manufacturer places the cost at \$16,500.00. This would be a fine memorial for someone. A fund was created for this purpose by a recent meeting of the Board of Trustees.

We are anxious, that all our girls and their families who need us find us and know the type and extent of all our services. We ask the cooperation of all in this.

The spiritual life of the girls is being carefully and prayerfully

looked after. Preaching, teaching, and counselling are available on every hand. The results are determined by the response of each girl. Excellent results are evident by the testimony of the girls. Every girl moved toward God and a better life while she is here. We have added a Bible study on Friday nights to our services.

Emphasis is placed upon the main lines of morality, truthfulness, honesty, sobriety, sincerity, trustworthiness and chastity. We teach them the meaning of the Ten Commandments, the Sermon on the Mount, the Golden Rule, and the teachings of Jesus in parables. They kneel at our beautiful, comfortable altar, have their sins forgiven, and arise to live in newness of life, following from thenceforth in God's holy ways. This is a grand ministry of the church.

The Superintendent would like to express his appreciation for the fine cooperation by everyone. The staff has been loyal and energetic. The Board has been sympathetic and cooperative. The girls in general have shown a fine spirit. The Lord Jesus has guided and strengthened all of us.

We would like to pledge to the Board, the Home-Hospital, the churches, and the girls and their babies, our faithful services if we are to continue in this great responsibility for another year.

Report of Board of Directors

Methodist Children's Home

This has been a very gratifying year in the life of your Children's Home. With the leadership of Rev. Harry E. Ezell, Superintendent, new challenges have stimulated renewed activities on the part of the board and all the personnel of the home.

Demands upon the home this year have been great. Thirty-two new children have been received into our care this year. These are from every district of the Conference.

While our work load has been tremendously increased, our income has not kept pace. You will note from the Auditor's Report and the report from Superintendent Rev. Ezell that our income from our Churches was down for the past year and we have been forced to operate with a deficit. Every possible economy has been effected. Basic care for our children is our responsibility.

The Board of Directors respectfully requests affirmative action by the Annual Conference and Presiding Bishop on the following items:

1. Reappointment of Rev. Harry E. Ezell as Superintendent.

2. Election to the Board of Directors for a three year term the following: Rev. Fred Flurry, Mr. W. A. J. Lewis, Mr. Jack Ritchie, Mr. G. Thomas Frazer and Mr. Lucius D. McGehee, these to serve to 1964.

3. Election to the Board of Directors for a one year term the following: Judge Chris Barnette and Mr. J. Gordon Kavanaugh.

4. Approval of three resolutions submitted: Two resolutions concerns two Charter revisions. One, adding to the Ex-Officio Members of the Board the Resident Bishop. Second, setting up a program of foster home care and placement services for adoption. The third resolution concerns the sale of a certain piece of property to the Ruston Hospital, Inc. Resolutions are attached.

5. Continued observance by the Churches of our Conference of the Free Will Offering days for the Home, which days are Easter Sunday in the Spring and Harvest Day in the Fall, the second Sunday in October.

- (2) Conduct a foster home program and act as an agency for placement services for adoption and to render social case-work services as may be incidental thereunto.
- (3) To provide these services, facilities and institutions in any

parish in the State of Louisiana, subject to compliance with the laws of the State and the regulations of the State Department of Public Welfare relative to the licensing of such agencies, and

- (4) To conduct classes of instruction, or operate schools for the education, training and religious instruction of children coming with the sphere of its operations as may be determined from time to time to be necessary, practicable and in the best interests of said children.

ARTICLE V

INSURANCE

Report of Committee

We have discussed our insurance plan with a number of insurance representatives and will continue to seek their advice. We shall continue to study our insurance plans with the specific purpose of developing an insurance program which is best adapted to

the ministers, their families, and full-time Christian workers. We are delighted that Mr. Cecil Ramey, a lawyer, has agreed to serve on our Board, and will give us legal advice when this is deemed necessary.

Representatives of a number of major insurance companies have told us, after observing our contract and considering the cost and coverage, that they would like to have our insurance if we decide to change companies, but most of them said very frankly that they could not give us any better coverage than we now have. They could not see that we would profit by making a change in companies.

Since our General Conference authorized the Board of Pensions to develop an insurance plan that would meet the needs of the members of the Annual Conference and full-time Christian workers, we are anxious to see their contract. The Committee on Insurance met in Alexandria, April 6th, with a representative from the General Board of Pensions and made a careful study of their insurance plan. Their plan was very disappointing to us since the cost is much greater than our present premium, and the hospitalization coverage is much less.

After considerable discussion, the Conference Committee voted by a large majority to request the Conference to keep our present plan with the Mutual of New York.

For the 1960-61 Conference year, 230 active ministers and 38 retired ministers participated in the Insurance program for a total of 268.

Total life coverage was \$640,000.

Two death claims of \$1,000 each were paid and another is pending.

Hospitalization claims paid this year amount to about \$23,000 with several claims pending.

Balance in Insurance Fund, June 1, 1960	\$ 5,042.75
Received from churches and pastors	43,578.87

Total	\$48,621.62
Premiums paid to Mutual of New York	\$44,309.26
Refund premium	20.00
Committee expense	15.75
Balance in fund, May 31, 1961	4,276.61

Total	\$48,621.62
-------------	-------------

We recommend that our present contract with Mutual of New York be continued for another year, at essentially the same rates as for this past year, the primary difference being an extra charge of \$1.10 on each minister and the same on each church to cover the premium for the retired ministers.

LAY ACTIVITIES**Report of Board**

We have had a busy year and feel a great deal has been accomplished. In order to formulate and carry through our Lay Program, we had five Board Meetings during the course of the year. A Director was appointed for each District to head up activities for the following: Lay Speaking, The 1000 Club, The Methodist Men's Club, The Fisherman's Clubs, and Promotion of **The Methodist Layman**.

The Shreveport District certified a class of thirty (30) as "Certified Lay Speakers." The Monroe District certified eleven (11). These men are ready to go on short notice to any pulpit where their services are needed. We now have more than one hundred "Certified Lay Speakers" in our Conference. Other Districts have reported plans to conduct such classes and we are anxiously watching for further progress in this field.

The 1000 Club was successful in raising approximately \$40,000.00 to assist the starting of new churches and helping others where a need was shown.

There were twelve (12) new Methodist Men's Clubs organized bringing our Conference total to one hundred eighty (180) chartered clubs. Nationally there are over 13,500 clubs, thus our conference men are a part of the largest such organization for men. These clubs are a tremendous force in the activities of our churches.

We have been successful in the organization of many new

Fishermen's Clubs. The success of these clubs speak for themselves through the increase in members reported by our churches.

There has been an increase in subscriptions for **The Methodist Layman**, but we will not be satisfied until this excellent publication is in the hands of every layman. This publication has been greatly improved and its articles written by outstanding laymen and clergymen offer good reading.

The Third National Conference for Methodist Men will be held July 14-16, 1961 at Purdue University which is located in Lafayette, Indiana. A large number of men from our Conference have stated they would attend. This Conference is gaining in popularity and the largest registration in its history is expected this year. It is estimated that over 5,000 laymen will be in attendance.

Our Fifth Annual Methodist Laymen's Retreat for Louisiana Methodist Laymen has been well planned and will be held August 12-13, 1961. The location of the retreat will be Centenary College. Last year there were in excess of 200 men present, however, we are hoping that every church will be represented this August. Let us suggest that you begin planning now to attend.

Four of our eight Districts have had week-end laymen retreats. All were well attended and a spiritual renewal was experienced by those present. Other Districts have plans to offer one of these retreats to their laymen so that as many as possible can be reached on the local level.

We laymen have had a part in the reorganization of The 1000 Club; selection of a Conference camp site; Our Mission Today; The Pre-Conference Reports; The Jurisdictional Meeting for Laymen; The Retired Ministers' Homes; The Annual Conference Program; The Board of Missions; The Stewardship of Possessions—Emphasis on Tithings; Wesley Foundations; The Conference Lay Leaders Workshop in Chicago, Illinois; The Jurisdictional Board of Lay Activities in Kansas City, Missouri; The Methodist Mens' Clubs in Chicago, Illinois. There are, of course, many other activities in which we have been engaged and probably some of the most important ones have been overlooked. However, space and time prevents further elaboration.

Laymen's Day, October 16, 1960, was well recognized, for our information indicates that more pulpits were filled by laymen on this day than ever before. This activity also seems to be growing in popularity, however, we are hopeful that an even larger recognition will take place in October, 1961.

The Methodist Men's Clubs have again sponsored a scholarship at Centenary College. Greater emphasis will be given to this project during the coming year.

In closing, let me say that if we have accomplished anything this year, it has been due to the splendid cooperation of all our lay-

men as well as our ministers. Without the leadership and guidance of the latter we could not have accomplished nearly all that we did. Of course, we could not close without giving special recognition to our Bishop. We are grateful for his leadership and support. Also, let me say that it has been a pleasure to serve as your Conference Lay Leader during this year and I'm looking forward to this continued association during the coming days.

HOWARD DAUGHENBAUGH
Conference Lay Leader

MINIMUM SALARIES

Report of Commission

We, your Commission on Minimum Salaries, hereby express our appreciation for your support of the Minimum Salary Fund. This fund has not only rendered invaluable service to recipient pastors and charges, but also has been a vital factor in expanding the service of Methodism throughout the Louisiana Annual Conference.

We would like to present to you the purpose of the Minimum Salary Fund. The fund is a brotherhood fund provided by the ministers and churches of the Conference. The Commission on Minimum Salaries is to study the needs for additional ministerial support within the Conference and make recommendations on how these needs will be met. In accordance with provisions of paragraph 826 of the 1960 Discipline, the Minimum Salary Fund is to be used in addition to other supplemental aid or income from other sources to bring the total family income of a minister to the minimum salary schedule for that pastor. The Commission on Minimum Salaries helps to provide a living support for those whose charges do not pay the minimum salary schedule set by the Conference. We find that as the minimum salary is advanced, the charges are challenged to raise to that level.

We ardently hope that the day may come when a permanent endowment may be established through wills and legacies, so that a more adequate ministry may be provided the charges of our Conference in future years. We feel our endeavor should be to promote more fairly and generously the economic welfare of all pastors and reduce to a minimum the tensions of inadequate incomes. Methodist people are always ready to rise to meet any legitimate appeal and we feel greatly encouraged by the response of our churches and ministers to this work of brotherly love and concern.

We, your Commission on Minimum Salaries, wish to make the following recommendations in accordance with the provisions of paragraphs 826 and 828 of the 1960 Discipline of the Methodist Church:

I. PLAN OF APPORTIONMENTS FOR MINIMUM SALARY FUND:

1. In a spirit of brotherhood, it is suggested that every effective minister in full connection with annuity claims, on trial, and all approved supplies(contribute an amount equal to one per cent of the minister's base salary.
2. That every church pay the amount apportioned by the Commission on World Service and Finance.
3. That all payments be made to the Conference Treasurer with definite statement whether paid by the church or the pastor.

II. STANDARDS OF ELIGIBILITY FOR MINIMUM SALARY ASSISTANCE:

1. All effective members of the Annual Conference and those on trial, along with all approved supplies, shall be eligible to share in the Minimum Salary Fund.
2. A charge, at the close of each year, must increase its pastor's salary a minimum of five per cent to continue to be eligible for minimum salary assistance. (Exceptions can be made for a pastoral charge, where this increase would be a real hardship, only upon the recommendation of the Cabinet).
3. A pastor receiving minimum salary assistance is expected to do everything possible to have his charge conduct an annual every-member-canvass in accordance with standards set by the Commission on Minimum Salaries and to carry out a stewardship program as proposed by the General Conference.
4. A charge must use lesson materials approved by the Methodist Church in order to receive minimum salary assistance.
5. To receive minimum salary assistance for the Conference year of 1961-1962, pastors shall have paid the required one per cent for the Conference Year of 1960-1961 into the Minimum Salary Fund not later than May 15, 1961.

III. THE MINIMUM SALARIES SCHEDULE:

1. There shall be a basic minimum salaries schedule for the Conference Year of 1961-1962 commensurate with the cost-of-living index as follows:
 - A. Pastor without dependents, who serves full-time and lives on the charge, \$3,000.00 annually.
 - B. A married pastor who serves full-time and lives on the charge, \$3,600.00 annually.
2. Additional grants, up to a maximum of \$600.00, shall be paid as follows:
 - A. \$200 for each dependent child.
 - B. \$200.00 for each additional church on a circuit.
3. These amounts shall be paid monthly on the basis of funds

available at the beginning of the Conference Year and in event of insufficient funds, appropriations will be made on a pro-rata basis. The Commission requests the power to increase the minimum salaries appropriations if sufficient funds are available.

4. In computing minimum salaries, the total family income from all sources shall be counted as a pastor's support.
5. The maximum amount to be provided by the Commission on Minimum Salaries for a pastoral charge, will be an amount not to exceed 25 per cent of salary, automobile and utility expense funds paid by the charge, and no charge shall share in the Minimum Salary Fund which plays less than \$2,200.00 for both salary and expense fund. Special exceptions may be made for new projects by a majority vote of the Commission.

IV. PROCEDURE FOR RECEIVING MINIMUM SALARY ASSISTANCE:

1. As soon as feasible, after Annual Conference, the District Superintendent shall furnish a list of pastors who receive \$4,200.00 or less, to the secretary of the Minimum Salaries Commission. This information shall include the pastor's address and his total income from all church sources, with exception of minimum salary assistance.
2. Each pastor listed by the District Superintendent will be supplied an information sheet which must be properly filled out and returned to the Secretary of the Commission before payments may be made from this fund.

V. EMERGENCY BENEFIT FUND:

1. An Emergency Benefit Fund shall be counted as provided in Paragraph 828 of The Methodist Discipline (1960), for the purpose of providing emergency benefit aid to the ministers of the Louisiana Annual Conference who may be in special need. The Minimum Salary Commission will consider cases only upon recommendation of the Cabinet.

MISSIONS

Report No. 1, Section No. 1

The Conference Board of Missions has for its purpose the extension of the gospel at home and abroad, to persuade all people to become disciples of Christ and members of His Church; to gather these disciples into Christian Churches, where they may come to know, love, and serve Jesus as Lord.

It is for this purpose that Methodists give to Missionary Projects and causes and World Service and Conference Benevolences.

The Conference Board of Missions feels that the funds it administers for promoting missions and church extension constitute a sacred trust. It shall therefore be its policy to use the greater portion of such funds for sending the gospel where people are in greatest need of help to enable them to organize a church and have pastoral leadership.

To this end, we recommend to the Annual Conference the following policy for allocation of funds for the conference year 1961-62:

Policy on Salary Aid

1. To New Churches: To encourage the establishment of new churches, salary aid shall be granted over a four year period, the grant per year not to exceed the following maximum:

- a. First year under full-time pastoral leadership.....\$1200
- b. Second year under full-time pastoral leadership....\$ 900
- c. Third year under full-time pastoral leadership.....\$ 600
- d. Fourth year under full-time pastoral leadership....\$ 300

During the period of adjustment to this plan, churches organized prior to June, 1961 will receive aid on the basis of their current year of existence.

2. All other churches: Salary aid to all other churches shall be granted on basis of need, provided that each church so aided shall have an annual Every Member Canvass to support itself to the maximum possible, and shall report the results of said canvass yearly to the Conference Board so long as it applies for salary aid.

It shall be the aim of the Conference Board to reduce grants yearly to any church receiving aid the previous year from the Conference Board. The only exception to said reduction shall be upon the recommendation of the cabinet and the approval of the Executive Committee of the Board, where it is judged that such a reduction would work an unusual hardship.

Policy on Church Extension Donations

Donations for church extension shall be allocated on a priority basis as follows:

- Priority A:** New congregations, in the process of paying for their first sites or first units.
- Priority B:** Relocation projects of established churches to serve new communities.
- Priority C:** Parsonages for newly organized churches.
- Priority D:** Missionary building projects in transitional, military, or rural development situations.
- Priority E:** Small rural churches adding educational units.

Priority F. Churches destroyed or severely damaged by natural disaster.

Priority G. Churches of less than 300 members, which do not qualify under Priorities A-F.

We recommend that donations be considered for repairs and renovation projects only in a special situation which the cabinet recommends as an emergency case deserving special treatment.

We further recommend that, except in the case of new churches less than two years old, applications for extension aid shall be considered only from churches which have had an Every Member Canvass within the preceding 12 months.

Policy on Loans

Loans from the Revolving Loan Fund shall be available to any church on the basis of the policy outlined in the Board of Missions Report No. 1, page 91 in the 1960 **Journal**.

Loans from the Regular Loan Fund and from The Methodist Children's Home Fund are administered by the National Division on the basis of standards set forth in the Church Extension **Manual** of the National Division. A copy may be secured by writing the Secretary of the Conference Board of Missions, Rev. Roy Mouser.

MISSIONS**Report No. 2**

1. WE RECOMMEND that the Commission on Missions in every charge study the possibilities of carrying out the "FOUR-LANE ADVANCE SPECIAL" plan, so that every charge will have four Advance Special projects, one in each of the following fields:

A) A WORLD or OVERSEAS SPECIAL

We call attention to the needs in Latin America, to which missionary area our own Bishop is a Special Representative. If your church does not yet have a **designated** Advance Special in World missions, we suggest one in the following countries which Bishop Walton shall be visiting: Argentina, Bolivia, Uruguay, Brazil, Peru, Chile, Panama, Costa Rica. We call especial attention to the Lands of Decision for this quadrennium. They are Argentina, China-In-Dispersion, Rhodesia, and India. We recommend also the Methodist Committee on Overseas Relief and "Meals for Millions" as worthy projects.

B) A NATIONAL ADVANCE SPECIAL beyond our Jurisdiction, including continuing needs in Alaska.

C) A NATIONAL ADVANCE SPECIAL within our South Central Jurisdiction. Our Conference goals for such Advance Specials totals **\$14,284.00**, divided as follows:

1. Central Jurisdiction Specials — \$2,284.00. The primary needs are for help to lift the pastors' salaries to the minimum of \$2,000.00 and to help build new churches in Louisiana.
2. Rio Grande Conference Specials — \$4,000.00. (For aid to Spanish speaking congregations in the Southwest.)
3. Indian Mission Conference — \$8,000.00. (Aid to congregations of native American Indians with native Indian pastors in Oklahoma, New Mexico, Texas.

D) A CONFERENCE ADVANCE SPECIAL.

We call especial attention to and urge action this year on the adoption of a "90 - AND - 9" ADVANCE SPECIAL to help us build the first unit of a fourth new congregation each year, over and above the three the 1000 Club will build. The "NINETY AND NINE" ADVANCE SPECIAL will provide \$9,900.00 for this cause if 99 churches safely in the fold will give an average of \$100.00 each to sponsor the vitally needed fourth new church.

Other Conference Advance Specials include the Migrant Ministry at Hammond, the 1000 club contributions and the Retired Ministers' Homes.

2. WE RECOMMEND that the Conference Board of Missions en-

courage District Board of Missions to provide for more new congregations by proposing

- A) That when a church repays a donation lien held by the **Conference Board of Missions**, the Treasurer of the Conference Board of Missions shall be authorized to return to the District Board of Missions one-half of this amount, to be used for extension purposes.
- B) And that when a church repays a donation lien held by the National Division of Missions, that the 90 per cent refunded Board be in turn granted to the District Board of Missions from the National Division of Missions to the Conference of the church paying the lien, to be used for extension purposes.

3. WE RECOMMEND that Conference Rule Number 2 be amended to read as follows: "Each church securing assistance from the Church Extension funds of the Conference Board of Missions shall be required to secure the refunding of the sum donated in the event of the property being alienated from the Methodist Church, by entering and recording a mortgage for the sum donated provided that this shall not apply to donations of one thousand dollars (\$1,000.00) or less."

4. WE RECOMMEND that the Area Council study the possibility of adding a full-time or part-time executive to the staff of the Conference, to aid in the promotion of Missions and church extension in the Districts and in local churches, under the supervision of the Conference Board of Missions and in cooperation with the District Boards of Missions.

5. WE RECOMMEND that District programs of Missions and church extension be strengthened by

- (a) Adding the District Secretary of Missions and Church Extension, as an ex officio member, to the District Board of Missions and to its Executive Committee.
- (b) Placing the District Secretary of Missions on the District Board of Church Locations.
- (c) Making all members of District Boards of Church Locations ex officio members of the District Board of Missions.
- (d) Making the District Board of Missions responsible for setting up and conducting annual District workshops on Missions, under the direction of the District Superintendent and the District Secretary of Missions. We suggest the workshops be held in November or February.
- (e) Publishing an annual report in connection with the annual report of the Conference Board of Missions, as required by the 1960 **Discipline**, paragraph 1223.

- (f) Urging the attendance of all members of District Boards of Missions at Seminars on Church Location, Building and Architecture provided in the Conference by the National Division of Missions, at the 1961 session of the Pastors School.

6. WE RECOMMEND the amending of the provisions governing the administration of the Revolving Loan Fund, by adding the following statement to the provisions printed in the 1960 Journal, page 91:

"A District Board of Missions may borrow up to \$1,000.00 from the Revolving Loan Fund to be used as an emergency salary aid fund for a church whose expected salary aid from the National Division of Missions has been delayed a year due to failure to get its application to the National Division in within the deadline for funds available for that Conference year. Such emergency loans shall be repayed under the same provisions as those enumerated above."

7. WE RECOMMEND that the Conference Area Council study the possibility of printing a brochure inviting Methodists to provide in their wills for Conference institutions, agencies and projects, and furnishing information concerning such Conference projects, including the "90 and 9" and other Mission projects.

ONE THOUSAND CLUB

Report of Chairman

This has been a year of real progress! A new Church — St. Andrews which is located at Sterlington, La., in the Monroe District was the recipient of the second call or \$10,000. This allowed the congregation to organize and begin functioning as a new local Church.

The first and third calls were used to good advantage in the Mission programs of all eight (8) Districts of the Conference. Through these three (3) calls of The 1000 Club during 1960-1961 an estimated \$35,000.00 was raised.

In conclusion a word should be said about St. Mark's Church located at Monroe, La. This congregation received the third call during 1959-1960, however the funds for this call were not fully received until early 1960-1961. Therefore our treasurer had to make his final report on St. Mark's in the current year.

Report of Board

We, the Board of Pensions of the Louisiana Annual Conference, wish to thank both laymen and ministers for their continued interest in the welfare of our retired ministers, and the widows and children of those who have served the church as ministers. Because of this concern, we are able to make the following report:

We are delighted to report that we will be able to pay sixty dollars (\$60) per service year annuity this year to all regular conference members and to all full time accepted supply pastors.

We recommend:

1. That we request the World Service and Finance Commission to provide \$190,000 for the Conference Claimants Fund.

2. That the one per cent (1 per cent) assessment of pastor's salaries shall be paid by all pastors, associate pastors, and local supplies who shall become claimants on this board.

3. That the Sunday before Thanksgiving shall be designated as Retired Ministers' Sunday, and that an offering be taken, or an amount be placed in the budget of each church for the Retired Ministers' Homes.

4. That the study committee set up last year composed of W. D. Milton, Judge R. J. O'Neal, Merlin Merrill, and J. W. Matthews, Jr., be continued. This committee has been making a careful study of the Methodist Reserve Pension Fund program of the General Board of Pensions. When sufficient information has been gathered so that a clear explanation of this program can be made, we propose to give this information on the district level.

We further recommend to ministers and laymen the desirability of making bequests and will to the Endowment Fund for Retired Ministers. Certainly, money could not be better spent than in providing a more adequate income for these veterans of the cross who have served so faithfully and well, and who have given us such a wonderful heritage.

Special Case No. 1

Our conference has been honored by having one of its members selected to be the executive secretary of the South Central Jurisdiction. Dr. Virgil Morris will retain his membership in this conference. In accordance with the precedent set by the Central Kansas Conference in the case of his predecessor, your Board of Pensions recommends that Dr. Morris be appointed as a member of the Louisiana Annual Conference with annuity

Special Case No. 2

A special request has come asking that a pension be granted Mrs. Edward Clark Grice, the widow of a former pastor of the Louisiana Conference. This request carries with it the recommendation

of her pastor and the approval of the General Board of Pensions. Mrs. Grice served with her husband for four years in this conference (1911-1914). Her husband took voluntary location in November 1915 after having served the Calhuon, Bastrop-Collinston, and Pine Grove charges. Mrs. Grice has not requested a pension before because she said that she could get along without it. Now she needs some additional support to stay in a rest home.

Your Board of Pensions recommends to the Louisiana Annual Conference that this pension be granted under the provisions of P 1620 sec. 4 of the Discipline which necessitates a two-thirds vote of those present and voting in the Annual Conference.

PUBLIC RELATIONS AND METHODIST INFORMATION

Report of Commission

In meeting the responsibility placed upon us in the newly created Episcopal Area of the Methodist Church, the Commission on Public Relations and Methodist Information has placed in the field a full-time Methodist Information Director.

This action has been taken with the counsel and guidance of the Bishop, the Cabinet, and the World Service Commission.

We were fortunate in securing the services of Mrs. Thomas W. Wilson in this field, whose labor so far has been seen in rewarding results. The extent of her activities has been indicated in her report to our Commission as shown in the following:

She has written 160 special stories, sent 1573 copies of 15 different general releases to 212 news outlets; for a total of 175 different stories with 1733 copies sent. Copies of 108 stories have been sent to THE LOUISIANA METHODIST. In these three months, Mrs. Wilson has also written 315 personal letters to officials of the news

media and of the church. Questionnaires have been sent to the 130 newspapers.

In setting up the office of Methodist Information we are indebted to the cooperation of each commission member; to the inspired leadership of Bishop Walton, who gave much of his time and guidance through his experience in this area; and to Mr. Kenneth Rigby, who rendered extra service to our work.

The Office of Methodist Information, both for this year and the coming year, has been explored thoroughly in consultation with the World Service Commission. Our proposed budget for 1961-62 has been approved by the World Service Commission, a copy of which is hereto attached.

We highly recommend the continuation of this public related position as a part of our Conference and Area program. It is highly imperative that The Methodist Church have an effective presentation in the public press and other communications media of the program and activities of its conference and local church levels.

We, therefore, enthusiastically recommend the continuing of this program which has already proved to be worthwhile.

RESOLUTIONS COMMITTEE

Report No. 1

To Bishop Aubrey G. Walton, who conducted the business of the Conference in a gracious and orderly manner, and who deepened our spiritual lives with his inspiring devotionals each morning, we owe a continuing debt of gratitude and appreciation. We were also blessed with the presence of Mrs. Walton and Bishop and Mrs. Dana Dawson, whose friendly and gracious spirits added to the atmosphere of the Conference.

We voice our thanks to President and Mrs. Joe J. Mickle, Vice-President Leonard Cooke, Dr. J. B. Harper, and the ministers of the Shreveport area who extended to us warm and unending hospitality; we also express our special thanks to all who have anticipated and provided for our every need and comfort this week.

We have been lifted to new spiritual heights through the challenging addresses by Bishop Arthur J. Moore of Atlanta, Georgia, and the lovely anthems presented by the choirs of Broadmoor, First Methodist, and Centenary College, and by Dr. Henry Bowdon's message at the memorial service. We also appreciate the direction by Mr. A. C. Voran in the congregation singing during the Conference, and the organist who accompanied him.

This session has given us a deeper and clearer insight into the work of our Church and Conference due to those who so efficiently

presented the connectional interest of our Church.

A special thanks to the Press for every example of hospitality and thoughtfulness given us, with a special thanks to Miss Charlotte Burrows of the **Times**, Mrs. Mildred Smith of the **Journal**, and Mrs. Lona Wilson of the Methodist Information.

For all those who have made this Conference a unique and wonderful experience in our lives, we owe our heartfelt thanks.

We further recommend that all resolutions of Conference Boards, Commissions, and Committees which have not met the requirement of pre-conference reports as found on page 85 of the 1960 Conference Journal also be cleared by the Committee.

RESOLUTIONS COMMITTEE

Report No. 3

Your Committee on Resolutions was composed of the following persons: Douglas L. McGuire, Henry Bowdon, Sr., George W. Pomeroy, John A. Dixon, W. Ellis Bond, Owen C. Brown and D. L. Dykes, Jr.

The Committee conceived its responsibilities to be:

- I. To receive all resolutions proposed for presentation to the Annual Conference, except those coming from the regular Boards, Commissions and Committees.
- II. To hear these resolutions and the persons presenting them;

then decide which of four dispositions to make of each resolution.

- III. That the resolution be (1) that the resolution be presented to the Conference with the concurrence of the Committee; (2) that the resolution be presented to the Annual Conference for consideration without concurrence (3) that the resolution be referred to other committees already set up for consideration of such matters; (4) that the resolution not be presented to the Annual Conference since, in the opinion of the Committee, no constructive purpose could be served by its presentation.
- IV. The Committee has made every effort to consider each resolution not in the light of whether the individual members of the committee agree or disagree with the resolution, but whether or not it will serve a constructive purpose by its presentation.
- V. The Committee received three resolutions for consideration and a fourth which was to be considered if the Committee concurred with resolution number 3.

Disposition was made as follows:

Resolution 1 was presented by Dr. Henry A. Rickey. The Committee recommends same be referred to the Area Council for its consideration.

Resolution 2 was presented by Robert Breedlove of Natchitoches, Louisiana. The Committee recommends non-concurrence since, in the opinion of the Committee, no constructive purpose would be served by its consideration by this Conference.

Resolution 3 was presented by Mr. C. A. McCartney of Jena, Louisiana. The Committee feels that a portion of this resolution is covered by previous action of this Conference and that the remaining portions could serve no constructive purpose by presentation.

Resolution 4 was presented by Rev. Fred St. Amant to be considered only if the Committee concurred with Resolution 3.

The Methodist Literature in the Church School; Some of our Church Periodicals and Magazines; And some recommendations in the areas of Social Life and Work;

THEREFORE BE IT RESOLVED: That Bishop Aubrey G. Walton, presiding Bishop of the Louisiana Conference, be asked to appoint a Committee composed of eight laymen, one from each district, and eight ministers, one from each district, to make a thorough study of the matters mentioned above and to bring a report of their finding and recommendations to the next session of the Annual Conference.

We further ask, that the Commission on World Service and Finance be asked to appropriate the amount of \$500.00 to assist in the expense of this study.

In keeping with a Resolution from the Interboard Council adopted at the 1960 session of the Annual Conference (Page 85 of the 1960 Journal), I wish to present the following Resolution:

RESOLUTION**Seashore Methodist Assembly Property**

WHEREAS, the Louisiana Conference on May 24, 1960, transferred its rights to the Mississippi Conference under certain conditions, and

WHEREAS, the Board of Trustees of the Seashore Methodist Assembly of the Mississippi Conference immediately organized and proceeded to carry out the provisions of the Resolutions of the Three Conferences. The necessary deed of conveyances were prepared and executed by the Conferences and are recorded in the Chancery Clerks Office of Harrison County, Mississippi, and

WHEREAS, the Trustees of the Mississippi Conference then proceeded with the development program of the Seashore Methodist Assembly property. Many meetings of the Trustees were held at the camp grounds in Biloxi, Mississippi, and among other things, the Trustees employed an architect and an attorney. Overall plans for the program were prepared by the architect. Legal Notice to Terminate Tenancy was given to all tenants, and many immediately moved from the property to make way for the development program. A large number of dilapidated buildings were demolished and removed from the property by the Trustees, and

WHEREAS, the Trustees decided that one phase of the program should be the construction of proper housing for the elderly, and therefore instructed the architect to make plans for same, and

WHEREAS, the Trustees conferred with several financial and lending institutions and also the Director of Federal Housing Administration of Mississippi and received great encouragement for such a project. Thereafter further conferences were held with other officials of financial and lending institutions and also the Regional Attorney of Federal Housing Administration in Dallas, Texas, and

WHEREAS, it is the opinion of the Trustees that a separate Corporation should be chartered for the purpose of taking title to a part of the Seashore Methodist Assembly Grounds, and to make application to the financial and/or lending institutions and to mortgage an dencumber the property to which they take title and do all other things necessary to construct, maintain and operate a Home for the elderly.

NOW, THEREFORE, BE IT RESOLVED, that the LOUISIANA ANNUAL CONFERENCE of the Methodist Church,

1. Authorize its trustees to convey by Warranty Deed the fee simple title to the West One Third ($\frac{1}{3}$ rd) of the Seashore Methodist Assembly property which lies South of Father Ryan Avenue extended and North of the north margin of the north sidewalk of West Beach Drive, or U. S. Highway 90, to the trustees of the Seashore Methodist Assembly, Mississippi Conference, so that said Trustees

may apply to the necessary lending agencies and/or to the Federal Housing Commissioner for a contract and/or contracts of mortgage insurance pursuant to the provisions of the National Housing Act and/or regulations and provisions required to be met by other lending agencies, and to enter into any contracts with any corporations and/or lending agencies that may be necessary for the constructing, mortgaging, and operation of housing for the elderly on the above described property.

2. On the passage of these resolutions by the three conferences, all actions by these conferences contained in Conference Resolutions and all actions now pending, which affect the above described portion of the Seashore Camp Grounds only, are hereby rescinded, and the present Board of Trustees is hereby authorized to prepare and execute all papers, deeds, etc., necessary in the transfer of the above described property to the Trustees of the Seashore Methodist Assembly, Mississippi Conference.

RETIRED MINISTERS BOARD

Report of Board

As we come to the close of the eighth year since our Board was chartered, we are more convinced than ever that the LAITY, who have furnished parsonage homes for our preachers since the early days of Methodism, are more interested than ever before in PROVIDING HOMES for our Ministers AFTER THEIR RETIREMENT. They are becoming more conscious of the fact that the man who serves a church as minister receives his salary and his PARSONAGE, and in many cases his utilities, but upon retirement he receives his pension and his social security, which is never as much as his salary was, AND NOW HE MUST PROVIDE HIS OWN LIVING QUARTERS with all the other expense that goes with it.

We have also discovered the LAITY is willing and glad to give to the building of THESE PARSONAGE HOMES for our retired ministers if their pastor asks them to do so. We find the churches in which the pastor endorses the project, giving his people an opportunity to contribute, are almost in every case liberal in their response. Churches where there have been NO OFFERINGS in the past, but who now have a pastor whose record shows that he is in favor of the project, are NOW MAKING LIBERAL OFFERINGS each year. This is also true as you turn it around and where a church has given liberally in the past, but now have a pastor whose record is not in favor of the project, has NOW CANCELED OUT and send no offerings.

IF THIS IS TO REMAIN A CONFERENCE PROJECT, officially chartered and set in motion by the Annual Conference THEN WHY

SHOULD NOT EVERY PASTOR and **ALL OF OUR DISTRICT SUPERINTENDENTS** put it in their program and see to it that our people be given a chance to share in the building of these homes?

WE URGE the pastors when sending in their offerings **TO PLEASE** send us the names and addresses of **ALL INDIVIDUAL CONTRIBUTORS**. All gifts of \$2.50 or more are awarded an **INTEREST SHARE CERTIFICATE** and with it goes a few words of personal thanks from the Chairman.

THE CHAIRMAN of the Board of Managers reports that 358 gifts were received from **INDIVIDUALS** amounting to \$6,438.53 which was about one-half of the grand total for the year. Of this 245 were repeats which amounted to \$4,214.00.

OUR ATTENTION is also called to the fact that we now have in the **MEMORIAL APARTMENT FUND** a total of \$17,184.17 and that it will be necessary to have at least \$50,000.00 in this fund before the first unit can be built, he urges that we set 1963 as the year for having this much in hand. Also we have in the **LAFAYETTE DISTRICT BUILDING FUND** \$11,749.34. The total assets of the Board will amount to approximately \$120,000.00.

COPPER PLAQUES have been provided for each of the homes designating them as memorials or as gifts from the Churches of the Conference. The home at 3728 Judson, Shreveport, has been dedicated as **MEMORIAL** to its donor Mr. Jewell J. Hamiter, Aug. 1960.

WE WANT TO THANK the District Superintendents and the **PASTORS** who have cooperated in presenting this program to their people **AS A PART OF THE ANNUAL CONFERENCE PROGRAM**. Also we want to thank again all those who have contributed time and money to its success.

THE SINGLE COTTAGE, which is Number 6 in Ruston has been completed at a cost of \$11,624.03 which is \$843.46 more than we collected during the Conference year. The home will be dedicated by Bishop Walton in the **EARLY FALL**.

WE THEREFORE RECOMMEND

THAT THE OBSERVANCE OF NOVEMBER BE CONTINUED as Retired Ministers Homes **MONTH** throughout the Conference and as much publicity as possible be given to the sale of **SHARES** at \$10.00 each also that an offering be taken on the Sunday before Thanksgiving or on a Sunday in November convenient to the local church program.

THAT IT SHALL BE A VITAL PART of the District Superintendents' responsibility to hold this project up before his preachers and churches which are under his care, **AS A CONFERENCE ADOPTED PROJECT**. Offerings may be reported to the Annual Conference under "Conference Advance Special."

THAT WE ADOPT AS A CONFERENCE GOAL THE SELLING OF 2000 INTERECT SHARES AT \$10.00 each to our churches, church groups, and individuals during the ensuing Conference year.

THAT EACH LOCAL CHURCH SET A GOAL, equal to 25 cents per member which may be raised through the local budget, public offerings, groups and individuals.

THAT OUR PASTORS BE ON THE ALERT to suggest to their people the giving of MEMORIALS for building of these homes and that they be invited to place our Board in their will.

WE RECOMMEND THE REELECTION of Jack Ritchie, Ruston; Mike Caradona, New Orleans; Mike John, Jr., Monroe, and Sam White, New Iberia for the term expiring in 1964.

WE RESPECTFULLY request that the Conference authorize the Conference Secretary to incorporate our annual financial report in the printed Journal.

STEWARDSHIP AND PROMOTION

Report of Director

Introduction:

This report will cover four primary areas of work with the headings of Connectional, Annual Conference, District and Sub-District, and the Local Church program.

I. CONNECTIONAL:

The Conference Director has worked directly with the General Board of Lay Activities. This makes possible a good relationship for our Conference and special opportunities for the Director. He is grateful that he could have a small part in the preparation of the new Stewardship materials. Because of this relationship the Director has represented the Board in North Carolina, North Georgia, Georgia and Florida Conferences. The time schedule would not permit the acceptance of dates in other Conferences.

II. THE ANNUAL CONFERENCE:

The Conference program requires most of the time of the Director. There are during the year many special committees and group meetings that require the presence of the Director.

The largest area of program is the Simultaneous Every Member Visitation. The plans were changed this year. Instead of a two day meeting we conducted two and one-half hour training sessions in every District in October. In these meetings we trained 200 lay trainers and minister associate trainers.

In January and February we conducted 20 Workshops on the EMV on the Sub-District level. The 200 trainers trained 2400 Chairmen of the various committees from the local churches.

In this plan each Church will have five Chairmen trained for the Visitation program. On May 7th, or Visitation Sunday, 15,000 visitors go into 50,000 Methodist homes to tell the story about the program for the next year and to secure the pledges.

III. THE DISTRICT AND THE SUB-DISTRICT:

The relationship of the Conference and the District is very close. In many programs the work is directly related to the District Superintendent. The District Superintendents have been generous in allowing the Director to have time in Pastor's meetings, District Conferences, Retreats and other meetings. These meetings have been most helpful for the promotion of World Service.

The Director is grateful for a number of special invitations to help the District Superintendents with surveys, locations, Wesley Foundation building problems, special financial plans and problems solving in finances.

IV. THE LOCAL CHURCH PROGRAM:

The Local Church is the scene of most of the activity in all Stewardship and Promotion programs. The focal point is the individual Church member and our objective is the spiritual growth of the individual. Basically our entire program is designed to give help, aid, guidance and materials to the local Church. Some of the services we offer the local Church are as follows:

Study course on the Commission on Stewardship and Finance.

Instruction and guidance for conducting the Every Member Visitation.

Financial analysis of the local church with recommendations.

Long range planning, such as a 10 year plan, without reducing budget, building fund, or special funds, and allowing year by year increases for the giving of as much for others as for the local program at the end of the 10 year period.

Preaching, talks to Boards, Commissions, Committees and groups, as time schedule and expenses allow.

World Service giving breakdown by a local Church for exact amounts of money to each cause represented in World Service.

The Director allows the reimbursement for expenses, according to Conference action, when he actually directs a financial campaign in a local church. In the past 5 years, the Director has directed more than 60 local Church campaigns. Some of these have paid the expenses of the Director. This year the Director has directed programs at Rayne Memorial, Munholland, Parker, Broadmoor in Baton Rouge, Wesley in Alexandria, Morningside, St. Mark's in Monroe, St. Paul's in Monroe, First Church in Lake Charles and Arcadia. The total, for fund campaigns under the guidance of the Director this year, figured on a three year basis is over 2¼ million dollars. In addition to these he has trained the visitors, made analysis for or helped in some definite way: Houma, First Church, Carrollton Avenue, Barksdale, Pelican, Pleasant Hill, Lakeshore in Minden, Wesley Foundation building program at Natchitoches, Kenner, Jefferson, Welsh and Haughton. We have furnished stewardship materials, filmstrips, movies, information and other materials free to other Churches too numerous to report.

In conclusion it should be observed that in five years our Conference income has increased over the previous five years by more than \$10,000,000. Our annual pledges or commitments in the church-

es has increased by more than 100 per cent — or by an amount of over \$3,000,000 with a total of about \$7,000,000 pledged. The number of churches that can report pledges has increased from 169 to about 400. One area of interest is in the fact that five years ago very few children and youth were making pledges. We can now count more than 10,000 children and youth pledging in excess of \$100,000 annually. There are reports of more tithing Methodists. There is evidence of spiritual growth. We feel that giving is a means of spiritual growth. Our work in the field of stewardship cannot claim credit for all the above progress, but we know we have had a part in these achievements.

TELEVISION, RADIO, AND FILM COMMISSION**Report of Commission**

The first year of this quadrennium, Louisiana Conference TRAFCO has been engaging in organization of our Commission and in determining what efforts can be made by us in the support of General TRAFCO at the Annual Conference level.

A Conference Chairmen's TRAFCO Workshop was held in Nashville in February to familiarize the Annual Conference level with the general nature of TRAFCO and to enlist the support of the Commission at the Annual Conference level. Reverend Barry Bailey, a member of this Commission, attended this Workshop representing Louisiana, substituting for your Chairman who was unable to attend due to other commitments. From all reports the Workshop was an outstanding success and the group considered the meeting highly informative and with promise of improved relations with the Conference and the general Commission.

We have, during the year, seen the presentation of The Methodist Series of the Protestant Radio Hour in practically every community in our Conference and reports are that this year's series with Dr. Robert E. Goodrich of Dallas as the speaker will be the most outstanding series in 16 years history of the Protestant Series. We are happy to have had a small part in presenting this in Louisiana.

We have assisted in the presentation of **Talk Back** television series in Monroe and New Orleans, and would have now been presenting it through KSLA-TV in Shreveport except for the extended illness of Reverend Barry Bailey, who will be in charge of the discussion panel. We are continuing efforts to present this program through other TV stations in the Conference.

Insofar as both the radio productions and the television **Talk Back** series, we welcome your inquiries as to how these programs might be presented in your local community and we will be happy to personally assist you or secure assistance from TRAFCO headquarters in Nashville if contacts can be arranged by you with your local stations.

We are happy to report from General TRAFCO that the long awaited Children's TV Series will be available for distribution the latter part of 1961 and we are hopeful that many stations in our conference will cooperate in the scheduling of this series. On Monday night of this week a joint group of the Board of Education, Commission on World Service and Finance, Television, Radio & Film Commission, and interested individuals were privileged to preview a portion of the pilot film of the Children's TV Series, together with filmed explanations as to how the program was being produced and when they might be completed. Present for this presentation was the Reverend James Campbell, Associate Director of Audio Visual Resources of the General TRAFCO staff. Following the film an interesting discussion of questions and answers was enjoyed. We look forward to the coming of this new series which will be a joint presentation of TRAFCO with the cooperation of the General Board of Education. We hope each of you will keep this series before you and if at all possible arrange with your local television stations for the presentation. Again, if we in this Commission can assist in any way it will be our pleasure.

TOWN AND COUNTRY WORK

Report of Commission

The Town and County Commission is grateful for the interest and support given by the Conference to its program during the past year. As we move into a new quadrennium, we do so in the assurance that our mission is one that can bring a brighter future to Methodists who live in the town and open country areas of our Conference.

The Town and Country Commission is an interboard agency with representation from various boards and agencies of the Conference. Its members are therefore anxious to see every aspect of the church's work prosper. Although the Commission is doing some things that no other Conference Agency is doing, it is aware that

its main purpose is to help the churches in town and country witness to the fact that "Jesus Christ Is Lord." Wherever it can serve to that end, it will pull its strength.

The following is a brief report of your Town and Country Commission for the past conference year:

1. A delegation of eight persons from Louisiana attended the Jurisdictional Town and Country Conference at Camp Egan, Okla., October 24-26, 1960.

2. The Executive Secretary of the commission appeared on the program of the eight district conferences last fall with a report of our work. This is the first time that we have done this and plan to continue it as an annual practice.

3. The commission sponsored the drawing and printing of a map of the Conference-State with all preaching places listed. The Rev. and Mrs. Dan Tohline of Raymond are to be commended for their labor of love in designing and sketching this map. Some maps are still available for purchase at \$1.00 per copy.

4. Our Executive Secretary is to be commended for the articles and pictures in the Louisiana Methodist on **KNOW YOUR RURAL CHURCH**. This began the last half of the conference year and will continue indefinitely.

5. A general survey of various factors (membership, salary), is being made of all churches of 200 members and under.

6. Town and Country work was represented at the annual meeting of the WSCS with a talk by the Executive Secretary and a panel discussion.

7. Our personnel has participated in several training schools this year.

8. At this report, three new Lord's Acre and one Lord's Herd projects have been begun.

The following are our recommendations:

1. That our Conference and Commission be represented at the three weeks Institute on the Church in Town and Country at Perkins, SMU, June 26-July 14, 1961.

2. That awards to "the church of the year" and to "the minister of the year" be set up and made annually beginning this new Conference year.

3. That surveys for Group Ministries and Larger Parishes and Larger Charges be made and these programs started in each district where it is feasible.

4. That workshops be set up this year for student ministers, part-time ministers and supply pastors.

5. That there be a Rural Community Day sponsored by the commission in some town or rural community this year.

6. That observance of Rural Life Sunday and Harvest Festival be continued by Town and Country Churches.

7. That a rural fellowship gathering (probably a meal together) be at each Annual Conference session for all persons interested in this field.

8. We request that each District Superintendent appoint annually a District Director of Town and Country. It would keep the work before each district.

9. With the number of churches in this area in the Conference, with the number of projects in this field, with the sympathy of the conference to the broad nature of the commission's work, we sincerely urge the conference to move, as soon as possible, to the appointment of a full-time executive of Town and Country work.

10. The Commission respectfully requests the Bishop to appoint Rev. Rex Squyres, Conference Executive Secretary to Town and Country.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE **Report of Conference President**

The Woman's Society of Christian Service has come of age, for we have been organized 21 years in 1961. The Conference Woman's Society report will point up areas of growth, and areas for future growth as does a person reaching the 21st birthday take stock of the past and envision the future.

There are 326 societies in Louisiana with a membership of 13,447 and 134 district members. There are 109 Guild Units with a membership of 2,172, giving a combined membership of 15,753. Both the Wesleyan Service Guild and the Woman's Society of Christian Service show a small gain in membership.

Three districts, Alexandria, Lake Charles and New Orleans, are 100 per cent organized.

The membership of our societies are in the following categories:

144 Societies with less than 20 members

47 Societies with 20-30 members

57 Societies with 30-50 members

79 Societies with 50 and over members

These figures indicate that we need to cultivate more intensively the smaller societies, as well as, the larger ones.

Training for district officers and secretaries of lines of work was held in Alexandria April 26-27 with 108 persons attending. Evaluation sheets rated training very highly and hoped it will be repeated. All those attending felt they had received much help and wanted it again at least every two years "even if we have to pay for it ourselves."

Mrs. W. B. Landrum, Field Worker for the Division, itinerated the Louisiana Conference, speaking to the Annual Spring District Meetings of the Woman's Society of Christian Service and the Wesleyan Service Guild. She also spoke to the church service at Lafayette on the Snuday night of April 16th. There was a total of 1,830 women who came to hear her. She spoke on the work of the Woman's Division and served as resource person in clinics on lines

of work and made many helpful suggestions to improve the work of the Woman's Society in Louisiana.

A Conference News Sheet is now published and three issues have been mailed to each officer and secretary of the Conference, District, and local societies in an attempt to put into the hands of the entire membership information concerning the program of work.

The Missionary Education report shows 344 women attended the school of Missions at Centenary College August 1960 with 276 credits earned and 243 enrolled in the clinics.

Books sold at the School of Missions and the Guild Weekend totaled \$1,543.85.

There were 241 Jurisdiction Credits earned in the local societies and 77 in the Guilds with over 1,700 Guild members participating in the studies.

Looking to the future, this year the School of Missions will for the first time invite 24 young girls to participate in a program of study. Other conferences who have done this have found that not only is an interest in missions developed but recruitment for church-related vocations results from including young girls in a School of Missions.

Again, looking to the future in Missionary Education, we would quote from a recent statement made by the President of the Woman's Division.

"The Woman's Society inherited from the several missionary societies a strong study program. Through the years this has grown and developed to an amazing degree. Our success, however, has been our weakness, for to a large extent it has set up apart.

"To serve the present age' is the unwritten but basic policy of the Woman's Society. Therefore with deep concern for greater unity in the total church program, it is hoped that wherever possible real effort be made to coordinate the study program of the Woman's Society and Guild with the Commissions of the local church."

The Louisiana Conference subscribes to this statement and will encourage local societies to make real effort to cooperate with the Commissions of the local churches for studies in order that together we may learn "to serve the present age."

The Secretaries of Youth, Student and Missionary Personnel, by coordinating their efforts, have made worthwhile contributions in their areas of service. The two most outstanding contributions are as follows:

Their report to the Annual Meeting in Lake Charles in presenting four young people, who represented the Wesley Foundation on the college campus, the Methodist Youth Fellowship in the local church, and interests in missionary service. The

dedication, forth-rightness, and Christian concern of these young people were a challenge to all who heard them.

The other, was the Youth Banquet at Annual Meeting which was attended by 160 young people and their adult leaders. Miss Ann Ruth Jones, former A-3, was the guest speaker, and, by the testimony of her own experience, challenged the youth to dedicate their lives to the service of the Church.

In cooperation with the District Superintendent and District officers and Secretaries, seven young women and one young man attended the Youth Section of the Missionary Conference at Mount Sequoyah in August 1960. This was the first year the Louisiana Conference had filled its quota. These young people spoke enthusiastically of the enriching experiences that had come to them as they had personal contact with missionaries, and as they learned about the great missionary outreach of The Methodist Church.

This year, 1961, the Board of Missions is listing 346 specific openings for regular overseas missionaries, 269 of which are under the Woman's Division. The number of workers needed by the Woman's Division in the Home Field is almost unlimited. In addition, the Board of Missions needs 110 special term missionaries this year.

Names of young people who have indicated an interest in church-related vocations are sent in slowly and irregularly. Yet they come! This year, the Secretary of Missionary Personnel was able to provide the Conference Commission on Christian Vocations with the names of 157 young people — practically all of college age — for additional contact and cultivation.

It is our hope and prayer that, with a growing awareness of, and concern for, the program of Missionary Personnel, the Louisiana Conference Woman's Society will soon reach its goal of one accepted worker per year per district.

One of the outstanding events for this conference year was the dedication by Bishop Aubrey G. Walton of our new Dulac Community Center at Dulac, Louisiana. This building was made possible through the offerings from the Week of Prayer and Self Denial in 1959.

The Indians who live at Dulac are emerging into a greater "self" consciousness with the ability of self-direction. They know their limitations in education, in recreation, and in social affairs; but they are beginning to realize their potential along these same lines. Next year will see the first high school graduation at Louisiana's only public Indian school. Eva Dean, now Mrs. Dale Wilson, has graduated from National College in Kansas City.

Mrs. Carl Brunson is not here, for she is attending the graduating exercises of one of the Dulac Indians from Vashti School in Georgia.

The nine pieces of work which the Woman's Division maintains in Louisiana continue "to serve the present age," as change in services, in surroundings, in needs challenges each of these.

The Treasurer's Financial Statement is made a part of this report, along with that of the Guild.

The President is privileged to represent the Woman's Society on several of the Boards and Commissions and serves on several committees of the Church. We are grateful for this further opportunity to service.

MRS. L. B. KILPATRICK
President

(Editor's Note: The Financial Statement is filed with the Conference Secretary).

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

"Our Mission Today"

The Woman's Division of Christian Service, as one of the Divisions of the Board of Missions, is actively sharing in the promotion and cultivation plans related to the quadrennial thrust on "Our Mission Today."

In like manner, the Louisiana Conference Woman's Society is participating, through the representation of its President, Secretary of Missionary Education, Secretary of Missionary Personnel, and the selected Lay Woman, on the Conference Team responsible for the program of study and reappraisal of "Our Mission Today" in the Louisiana Conference. It is by action of this team that this portion of the report on this phase of the quadrennial emphasis is being made.

For the first time, the quadrennial theme of the Woman's Division is identical with that of the Board of Missions, as a whole. This theme, "Our Mission Today" has been adopted as one phase of the 1960-64 Church-wide emphasis "Jesus Christ is Lord." Dedicated as it is to the cause of Missions, the Woman's Society welcomes the opportunity to share in the responsible task of testing our Missionary Outreach against "The Faith That Compels," "The Factors That Confront Us," and "The Frontiers That Call Us."

Already plans are being made for the use of the Bible Study, "The Bible and God's Mission" in the 1962 Woman's Society Schools of Missions and Christian Service. It is hoped that this study, together with the one on "Basic Christian Beliefs," which the women have been using this year, will help us to realize at least two of the objectives toward which we look, namely: (1) "Clarification of our thinking as to the Biblical and theological basis for Missions," and (2) "A more sensitive response to the guidance of God in this mission." When this study is ready for general distribution, the women

will be able and willing to share in leadership responsibilities in local churches.

Understanding the Biblical and theological motivation for the Church's mission is important, but it is not enough. This understanding must be based in a vital and radiant faith in the power and pertinence of the Gospel of Jesus Christ for our day. Only such a faith can give us the moral and ethical courage, as Bishop Raines suggests, to sponsor unpopular causes and take unpopular stands when such situations test our Christian conviction. Such a faith is primary; we must have it; we must be able to stand it; we must be able to relate it to our speech, our thoughts, and our actions. It is under the compulsion of such a faith that we can move forward in the Church's mission.

We must consider "Our Mission Today" against the backdrop of such contemporary conditions as the following: the population explosion, the technological revolution, the resurgent, missionary activity of non-Christian religions, and the acceptance of secularism as a way of life as evidenced by these figures quoted from the film strip "The Factors That Confront Us," a cross section of youth, 17-22 years of age, responded to a questionnaire as follows: 68 per cent did not attend church regularly 91 per cent would not go to a pastor for counsel; only 28 per cent considered themselves religious.

These conditions, and others, coupled with those "areas of life where we sense new responsibilities for Christian witness," and which we call "New Frontiers," make us realize that changes in strategy and structure may be called for, if the Church is to fulfill the "Aim of Missions." These conditions make it imperative that this study be made with thoroughness and earnestness.

Through a Woman's Division committee set up to study long range planning, and through a program of leadership training to be launched this summer in the Schools of Missions, and the Woman's Division and its Societies are already facing some of the problems and responsibilities related to contemporary conditions and new frontiers. During the remainder of this quadrennium, the Louisiana Conference Woman's Society, as a part of the Conference Team to study "Our Mission Today" will be, not only sharing in the conference-wide responsibilities related to this special emphasis, but will also be testing the adequacy of its faith for these times, purifying its missionary motivation, and seeking to make real the urgency of the Christian Mission.

In its first meeting, the Conference Team realized that the study of "Our Mission Today" would lead into considerations which would require special attention from the cooperating Boards and Agencies and would overlap, in some measure, the other special trusts. Some of the considerations are: establishing new churches

and revitalizing small, rural churches, recruiting for church vocations, training the church memberships in a vital faith for these testing times, using the church laity more effectively, and facing social issues with positive Christian witness. In all of these, the Woman's Society recognizes its responsibility, both as an organization and as individual church members. It is proud to be a part of a Board and a Church which responds to the need for self-examination and reappraisal as it seeks to know, and to make known, that Jesus Christ is Lord.

Report of Wesleyan Service Guild

It is gratifying to me to be able to bring a progress report of the work of the Wesleyan Service Guild in Louisiana Conference. We find there is a growing understanding of the PURPOSES of the Wesleyan Service Guild. This is evidenced through increased giving, increased attendance at Guild meetings, and an increase in studies for Jurisdiction Credit. Better coordinated programs has strengthened our work throughout the Conference, and has caused an increase in membership and Guild Units.

We have a membership of 2,172, which shows an increase. In 1960-1961 we organized six (6) new Guild Units, and we now have 109 Guild Units in the Conference.

Our per capita giving is very high and a summary of Annual Report of the Treasurer will show that we paid to Missions \$21,-675.00; Cultivation fund \$1,505.12; Week of Prayer \$1,895.20; Cash for Supply Work \$1,675.00; Magazine and Picture Fund, which is a fund to furnish Missionaries reading material \$208.00; Supplementary Giving \$985.00; and Local Church and Community Activities \$5,700.00.

Our Missionary Education report shows 66 study courses for Jurisdiction Credit, and many others for non-credit, with over 1700 women participating. Four hundred and three (403) women reported reading the Methodist Women and Three hundred ninety-eight (398) the World Outlook.

Many districts reported tours of our work in the Conference, Dulac, McDonald and Sager Brown.

January has been designated as Guild Month in the Conference, and was celebrated with joint dinners with Woman's Society of Christian Service; several "teas" inviting employed women in the Church who are not members.

We have had many Retreats both on the district and conference levels, and have organized prayer groups, and many use prayer partners.

In July, at Camp Brewer we had our Annual Guild Weekend. Miss Ann Ruth Jones, a returned Missionary from the Congo, was our Missionary and Recruitment speaker. We also had other outstanding speakers, workshops, and clinics, with some 145 in attendance. Were represented at Conference School of Missions in August, with a good attendance and a very helpful Guild Clinic in my charge. In September our coaching conference met at Camp Brewer for officers training.

Our Annual Spring Conference convened in Lake Charles in March with 254 members present.

We have had a very successful year and accomplished many things, but we cannot slacken, and many things yet to do.

SUE BATTON, Secretary

WORLD SERVICE AND FINANCE

Report No. 1 of Commission

The Louisiana Annual Conference of 1960 adopted a plan of apportionment of Conference askings to local churches based upon the following factors:

- a. One-third on the basis of membership.
- b. One-third on the basis of the Pastors' Salaries.
- c. One-third on the basis of total non-building giving.
(i.e., total for all purposes less amounts paid for debts, buildings and improvements.)

This plan, of course, would have brought about an increase in the askings from some churches and a decrease from others, if the total amount of money required for the several causes had remained the same. However, coincident with the adoption of the plan, there were substantial increases in the total amount of money required to meet the program set up by the General and Jurisdictional Conferences, and increased requirements of our own Conference program. Thus, while the increases in asking of many churches were due in part to the change in the basis of apportionment, they were, in a larger measure, caused by the overall increase in the askings. For the same reason, churches which were favored by the new formula, either had some increase or no substantial decrease.

Sincere and earnest criticisms of the above plan have been presented to your Commission and made by the Commission itself, and make it clear that the plan requires careful study, with a view of making revisions which will encourage the fullest voluntary participation of all Methodists in supporting the great Benevolent Program of our church. To that end the Commission invites criticisms and suggestions from all churches and interested persons.

A hasty change should be avoided lest the correction of in-

equities with respect to some churches be offset by the imposing of equally burdensome inequities upon others. Furthermore, a change at this time before we have reached a better understanding of this system would be confusing.

We, therefore, recommend that the plan of apportionments adopted by the 1960 Annual Conference be continued in effect, but that your Commission on World Service and Finance be authorized to make further studies in an effort to devise a fairer and more universally acceptable plan.

WORLD SERVICE AND FINANCE

Report No. 2 of Commission

1. The Commission on World Service and Finance recommends that it become the established policy of the Conference that all Conference apportionments and grants become payable at the end of each Conference year.

2. The Commission further recommends that the Louisiana Conference establish its fiscal year to be from June 1 to May 31, and that all Conference reports and payments be made in full to the Conference Statistician and Treasurer by May 15 of each Conference year.

3. We authorize the Conference Treasurer to close his books annually on May 15th, accepting only such reports as are post-marked by midnight of that date.

4. In accordance with action at the General Conference, we recommend that the payment of an amount equal to one dollar per member of each local church be paid for support of Centenary College, and that this amount be placed in the budget of each local church.

5. (a) It is recommended that the Louisiana Annual Conference grant permission to the pastoral charge to pay an amount not to exceed \$1,200 as a Pastor's Expense Account, providing that the salary set by the Fourth Quarterly Conference be maintained. In no event shall a charge reduce its pastoral salary in order to raise the expense account.

(b) It is recommended that the Louisiana Annual Conference grant permission to the pastoral charge to pay an amount not to exceed \$600 as utilities expense, provided that salaries not be reduced below the 1960-1961 level. Such payment is to be reported in a column provided on conference report blanks.

6. It is recommended that all boards and commissions receiving funds through the Commission on World Service and Finance be requested to submit a financial statement at the end of each Conference year, together with plans, programs, and asking for the coming year; that these reports and requests be in the hands of

the Secretary of World Service and Finance 48 hours before the opening date of the Annual Conference.

7. We further recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each church with a suggested amount of 4 per cent of the pastor's salary to be raised by that church; with the suggestion that said amount be included in the budget of the local church. It is further recommended that Christmas Sunday, December 24, 1961 be designated as Methodist Home Hospital Sunday, and that the offering for maintenance be received on that day, unless otherwise planned by the local church.

8. It is recommended that the Louisiana Annual Conference give its continued endorsement to the Louisiana Moral and Civic Foundation and that Dr. W. Earl Hotalen, State Director, be given every moral and financial support and every opportunity to present the operating and building fund needs to the congregation.

9. We recommend that all boards, commissions and committees receiving funds from the Conference Treasurer be required to submit a list of all investments, and returns therefrom, to the Conference annually.

10. We recommend that a Sunday in the month of November be designated as Retired Minister's Home Sunday, and that an offering be received in each congregation for the support of the work of Retired Ministers Homes, Inc.

11. We recommend that the Louisiana Annual Conference undertake to raise an amount of \$10 per pastoral charge for the support of the Western Methodist Assembly at Mount Sequoyah. Each District is to raise the amount on the basis of the total number of charges in the District, and the District Superintendent is to be responsible for raising this money.

12. We recommend that all churches in the Louisiana Conference complete their respective pledges to the R. E. Smith Religious Activities Building as early as possible.

13. We further recommend that pastors and laymen call to the attention of their members and friends the stewardship approach to Christian giving in regard to a Christian Will. "Remember the Church in Your Will" should be given special meaning as it brings to mind the institutions related to the Annual Conference and general boards and agencies of The Methodist Church. We suggest a local church Committee on Wills and Legacies to work with and secure information and guidance from the Committee on Wills, Bequests, and Gifts of the Council of World Service and Finance, Dr. J. Homer Magee, Director, 740 Rush Street, Chicago 11, Illinois.

14. The Commission on World Service and Finance commends the Reverend Karl B. Tooke, Conference Director of Stewardship and

Promotion, for his effective leadership in this field; and we recommend the continuation of the program under the direction of and with the cooperation of the Louisiana Annual Conference Cabinet with a budget for the office as follows:

Salary	\$8,000.00
Housing	1,800.00
Office Expense	900.00
Transportation	1,800.00
Meals and Hotel	500.00

Total\$13,000.00

It is further recommended that each local church using the Director for a capital funds campaign shall remit to the Conference Treasurer an amount equal to 1 per cent of the total amount pledged. Each local church using the Director for a budget campaign shall reimburse the Conference Treasurer an amount equal to the travel and entertainment expenses of the Director.

15. We recommend that the present Decimal system of making Apportionments become a part of the Conference Rules and be printed therein in the Conference Journal.

16. We recommend that the following become a part of the Conference Rules: Any legislation requiring appropriation of Conference funds shall be presented to the Commission on World Service and Finance for study and approval before being presented to the Annual Conference.

17. We recommend the following for your consideration as National Advance Specials during the year 1961-62, as suggested by the Jurisdictional Board of Missions: The Central Jurisdiction, Indian Mission, and Rio Grande Conference.

WORSHIP

Report of Commission

The newly appointed Conference Commission on Worship held its organizational meeting on May 30, 1961.

These items of interest and concern were discussed: Your commission is writing the Hymnal Revision Committee in an effort to keep the conference informed as to the trend of the polls recently taken by that committee. And in particular to learn what the trend of thought had been of those who were polled from the Louisiana Conference and in our section of the nation.

Plans are being made for a meeting of the Conference Commission on Worship? To be held in conjunction with the next proposed meeting of the Louisiana Fellowship of Methodist Musicians

in February? 1962, on the campus of Centenary College. During this meeting? Special emphasis will be given the Book of Worship? The Hymnal, and the Communion Ritual — closing with the Communion service.

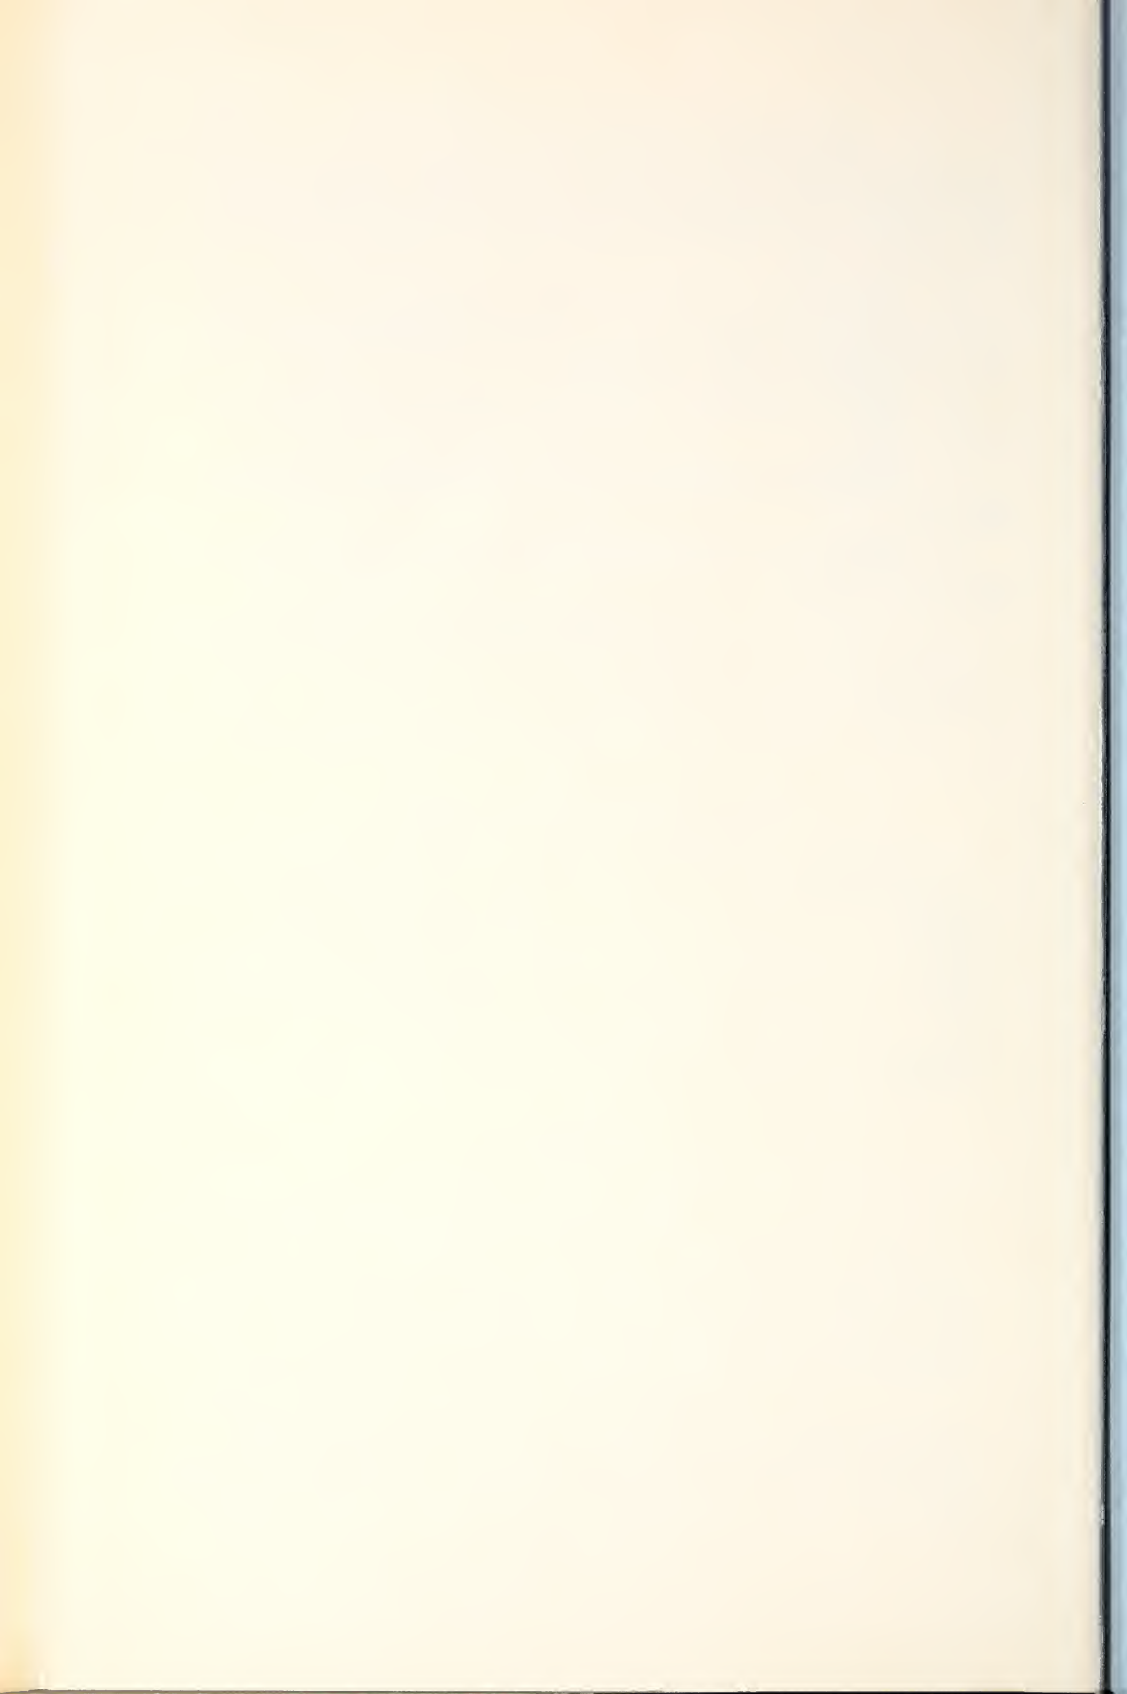

The Commission recommends that Ministers and Laymen throughout the conference study the Book of Worship, and write their impressions to the commission.

We urge the formation of commissions on worship on the local church level.

We are anxious to work with other organizations interested in our area of interest, such as the Louisiana Fellowship of Methodist Musicians.

We appreciate the study being made by the Wesley Society in the field of worship.

Secretary

LEONARD WESLEY CAIN

Leonard Wesley Cain was born at Iuka, Mississippi in Tishomingo County on August 10, 1867. He was born during reconstruction days in which it was difficult to receive any education. His father died when he was only seven years of age, but in spite of this, the children received a better than average education for that day as evidenced by three of the boys entering the Methodist ministry. His two brothers served all of their ministry in East Texas.

He was licensed to preach in 1888 and served as a local preacher for a number of years while teaching school in Tishomingo County Mississippi. Two years after he was licensed to preach he married Miss Vista Jane Ward at Scottsboro, Alabama. Miss Ward was the daughter of Reverend Dempsy W. Ward who was a charter member of the Alabama Conference. To this union were born eleven children, eight of them are living, along with thirty-six grandchildren, fifty-eight great-grandchildren and two great-great-grand-children, to mourn the passing of this good man. This marriage lasted for more than half a century until Mrs. Cain died in 1942.

Sometime in the early ninety's Reverend L. W. Cain and his young wife moved to Texas and he became a member of the Northwest Texas Conference of the Methodist Episcopal Church, South. He remained in this Conference for several years serving appointments both in Texas and Oklahoma. Sometime around 1900 he moved to North Mississippi and became a member of the North Mississippi Conference in which Conference he served until 1921 when he transferred to the Louisiana Conference and was stationed at Franklinton. He set to work immediately to build a new sanctuary which served the Church well until recently when replaced by a new building. He served the following appointments in the Louisiana Conference, Franklinton, Parker Memorial in New Orleans, Presiding Elder of the Baton Rouge District, Winnsboro, Park Avenue in Shreveport and Bunkie. He was retired from Bunkie in 1936 forty-eight years after he was licensed to preach. After his official retirement he served as a supply for several years within the bounds of the Baton Rouge District finishing out more than fifty years of service to his Church.

The strength of L. W. Cain's ministry was in the nobility of his character and in the purity of his motives. He had strong convictions but he never made himself obnoxious by trying to force his opinions on others. He was straightforward in all his actions and was never under-handed in anything he did. He had a deep concern for all the men who served under him. It was the privilege of the writer of this memoir to be in his district when he was Presiding Elder of the Baton Rouge District and I can testify personally of the inspiration, the help, the encouragement, and the unselfish

devotion he gave to the young men who served under him. He never sought honors, or special recognition. His sincerity, his integrity, and his faithfulness were his glory and reward.

It is a high tribute to a parsonage home when two of the boys are called of God to follow their father in the ministry and have found enough of the Spirit of God in their parents to make them say "yes" to that call. He left two fine sons to carry on the work he laid down at the Master's call. The Reverend Ralph W. Cain of Springhill and the Reverend Jerome Cain, District Superintendent of the Lafayette District.

After ninety-three years of Christlike living and in the seventy-second year since he was licensed to preach, his tired body gave up the struggle and he went home to be with those whom he had loved and lost a while. He was buried by his wife in the Cemetery at Denham Springs after a service conducted by Reverend W. J. Reid, Dr. J. Henry Bowdon, Sr., and Bishop Aubrey G. Walton.

J. HENRY BOWDON, SR.

WILLIAM DUNCAN KLEINSCHMIDT

When Dr. Charles W. Carter, in his eightieth year was at his last Conference before he went peacefully to sleep one night and awoke in glory, he looked about him and said: "Brethren, I'm lonely." Having almost reached the years of Dr. Carter, I am lonely. Now William Duncan Kleinschmidt is gone.

I remember my first meeting with him, on the west wing of old Centenary College. And through the years, in the work of the cabinet, at the Secretary's table where he was long an able associate of mine, in the time of my illness and then of deep sorrow, he has been a friend and a brother. It is not strange that I feel lonely today. In the Conference, nearly "all I loved are vanished voices, all my steps are on the dead."

William Duncan Kleinschmidt was born in New Orleans September 26, 1875, one of the nine sons of Charles Christian Kleinschmidt and Mary Elizabeth Stock, both natives of Germany. There were three daughters, two of whom I knew as their pastor: Mrs. E. A. Esparros of New Orleans, and Miss Louise Kleinschmidt, who was long the head of a department of the church school of Napoleon Avenue Methodist Church.

After graduating from Centenary College, Brother Kleinschmidt was soon admitted into full connection in the Louisiana Conference of the M. E. Church, South, in December, 1903; ordained deacon in 1902 and elder in 1906. When he retired, he had served for 46 years in the Methodist Church. He was pastor at Second Church, Baton Rouge; Rayne, St. Francisville, Zachary, Bon Ami, Jena, Athens, Louisiana Ave., New Orleans; Mangum Memorial, Shreve-

port; Vivian, Algiers, New Orleans; Epworth, New Orleans; Park Avenue, Shreveport; Coushatta, Springhill, Pollock, Lecompte, and Boyce. He served two years as Presiding Elder of the Monroe District and four years on the Ruston District.

He was married April 27, 1904, to Miss Mary E. Mackay of Hope Villa. She preceded him in death, also a son, Donald. He lived his last years in Alexandria, where he taught a Bible class in the First Methodist Church. He died in the Baptist Hospital, April 22, of the present year. His funeral was held at the National Funeral Home, with Rev. James Jones, Rev. Fred S. Flurry, and Rev. A. W. Townsend, Jr., participating. Interment was in Forest Park Cemetery, Shreveport, with Dr. Jolly Harper and other ministers officiating at the grave. Rev. W. D. Kleinschmidt is survived by a daughter, Mrs. Ruth A. Johnson, 1420 Third Street, Alexandria, and a son, W. M., Route 1, Orange, Texas. He was laid to away as fittingly as loving hands could, beside his wife and son.

William Duncan Kleinschmidt was a man worth while. Quiet and unassuming in manner, educated and cultured, he has left unmistakable footprints for Jesus in every section of Louisiana. Let us resolve anew to join with him and all the redeemed, who have washed their robes and made them white in the blood of the Lamb, led by the four and twenty elders casting down their golden crowns around the glassy sea.

R. H. HARPER

GEORGE ARTHUR LaGRANGE

George Arthur LaGrange was born on October 26, 1895, at Labadieville in Assumption Parish, Louisiana. He died at Ruston, Louisiana on Sunday, March 19, 1961. Funeral services were conducted at First Methodist Church, Alexandria, Louisiana, with Dr. Guy M. Hicks, Reverend Luman Douglas and Reverend Douglas McGuire participating. His body was buried in Greenwood Memorial Park at Pineville, Louisiana.

Brother LaGrange was married to Nellie LeBlanc on April 16, 1915. To this union was born two sons: Hubert, deceased and Joseph Carlton of Monroe, Louisiana. Mrs. LaGrange died at Marksville, Louisiana on August 2, 1939. At the time of her death Brother LaGrange was serving as pastor of the Marksville Church. On December 7, 1939 he was married to Essie Ruth Clark. The present Mrs. LaGrange now resides at Ruston, Louisiana where she and Brother LaGrange were living at the time of his death.

George Arthur LaGrange was born into a Roman Catholic home and was baptized in that faith. He remained in the Catholic Church until he was twenty-one years of age, at which time he was gloriously converted under the evangelistic preaching of his uncle,

the Reverend Eugene Barrios of Lafayette, Louisiana, a minister in the Church of the Nazarene. He became interested in the Methodist Church, and the church in turn was interested in him and encouraged him to attend school. He responded by going to the McDonnell School at Houma, Louisiana. Here he came under the influence of a noble Christian, Miss Ella K. Hooper. Under her guidance he made progress in his school work, and his call to the ministry must in some measure have been due to her spiritual nurture.

Brother LaGrange received a License to Preach in 1920. He served the Bayou Blue Circuit seven years as a Supply Pastor. In 1927 he was Admitted on Trial into membership of the Louisiana Annual Conference, to which he gave thirty-one and half years of active service. He retired at the end of the Conference Year in 1959 and moved to Ruston where he made his home until his death. During the years of his ministry Brother LaGrange served as pastor in the following appointments: Bayou Blue Circuit, Lafourche, Lottie, Marksville, Wynn Memorial, Gibsland, Grayson, Plaquemine, Elizabeth, Wesley in Alexandria, Lockport and Donaldsonville.

The last days of Brother George seem to have been among his happiest. He was active in the program of the church where he resided; attended its services and participated in many of its activities. He visited the "shut-ins" regularly, and through his humble prayers he brought spiritual strength to those who suffered physical weakness. It seems entirely fitting that the Lord chose Sunday as the day to take him home. He had just returned from church when the Lord called him, and truly, it must have been with the words:

Well done, thou good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord.

R. R. BRANTON

ISAAC A. PATTON

The Rev. Isaac A. Patton was a man of God. He walked with dignity and poise even to the day of his death at 82 years of age. When he prayed for a man, that man knew that he had been before the throne of grace. For a number of years he looked with patience for God to call him home. For some, August 21, 1960 may have been different, but for him it was a glad day, for he felt he was going home.

Isaac A. Patton, was born April 5, 1978 in Grant Parish, Louisiana. His father and grandfather had been Methodist ministers. His father was a senator from his parish. At the age of 10 years at a camp meeting held near Pineville, Louisiana he felt the call to preach. He went home to preach his first sermon to his sisters. At 19 he was licensed to preach at Cane River Methodist Church,

Natchitoches, Louisiana. He attended primary schools in Grant and Winn Parishes. After completing High School he went to Mt. Zion College for one year, which at that time was located near Winnfield, Louisiana.

He spent 44 years in the active ministry to the Protestant Methodist Churches of Louisiana. Sixteen years were spent in evangelistic work over several states. He walked over 15,000 miles to serve his works. He also organized a number of churches. The Methodist Church at Chatham was organized by the Rev. Patton. Because of the shortage of ministers he continued to serve after his retirement. He served Kelly, Hebert, Shiloh, New Hope, Centerpoint, Atlanta, and Coulie, after retirement. He married Birtie Mae Calk who died in 1933. They had ten children, four of whom are in religious work. One son Isaac A. Patton, Jr. is a member of the Louisiana Annual Conference. In 1941 he married Mrs. Maggie Brown who helped him continue his work even up to his death.

JAMES ROBERT STROZIER

On March 1, 1961, one of the sons of the Belah Community and Methodist Church returned home. There amid the familiar surroundings of boyhood, and among lifelong friends and loved ones, James Robert Strozier will rest from his labors.

It was in this community near Jena, Louisiana, he had joined the Church July 1913, and from which he decided to answer the call to the Ministry. Brother James was born December 3, 1890, of James T. Strozier and Adelle Anthony Strozier. Four years after becoming a Christian he became a Minister of the Methodist Protestant Church, and continued as one of their ablest men until Unification. Among his best known Charges in this group were Mt. Zion, Arcadia, Chatham, Ball, and Mt. Pleasant. After Unification he served such places as Melder, Rochelle, Melville, Ida-Hosston, Pleasant Hill. His last work was Elizabeth-Hopewell where he rendered one of the outstanding services of his entire ministry by the wonderful way he guided his people during the strike in the plant there. With Church members on both sides of the picket lines, he kept peace, and continued to have the respect and love of the entire group.

He retired from the active Ministry at the Conference of 1956, and moved to Ruston, Louisiana to occupy one of the Homes for Retired Ministers. There by the very warmth of his friendship, and the genuineness of his life, he won many friends in the Church and

community. It was not strange then, to hear him say to his pastor, "The Trinity Church is one of the friendliest Churches I ever saw."

Brother Strozier never served the larger places of the Conference, but he did a splendid job with the smaller ones, which comprise the vast majority of those of Methodism. He was a credit to his denomination by the genuineness of his life, as well as his ability to get along with people. He loved the Church, and gave his attention to its every need and call. Complaining and jealousy and bitterness were foreign to his make-up, and he came down to the end thankful for his opportunity to serve the Kingdom, and witnessing in every way which opened to him.

As the end approached, he said to his good wife, "I may go see God today, it is such a beautiful morning." And now she lives with wonderful memories of their lives together, in the service of the Church, knowing so well that he is "In the Father's House."

ROBERT W. VAUGHAN

On Sunday morning, July 10, 1960, the membership of the Rev. Robert W. Vaughan was transferred from the Church here on earth to the Triumphant Church. In his home going the Louisiana Conference lost one of its most beloved members. Rev. Robert W. Vaughan was born at Arizona in Claiborne Parish July 29, 1873. He was married to Miss Roberta McClendon December 8, 1897. To this union were born five children; two of which are still living. His wife passed away May 23, 1959.

Brother Vaughan was licensed to preach and entered the Louisiana Conference in 1894, and spent his entire ministry in the Louisiana Annual Conference. His first appointment was Vienna and he served the following churches: Valley Charge, Downsville, New Iberia, Morgan City, and Franklin. At the Conference in 1908, he was appointed Superintendent of the Orphanage Home in Ruston, Louisiana, and served in this capacity until 1912. At this time he was sent to the Mer Rouge Church and served there for nine months. He then returned to the Orphanage and served until he retired from this institution in 1937, making almost 30 years that he served as Superintendent and retained the title of Superintendent Emeritus until his death.

He served as Statistician of the Conference for 32 years. He became Treasurer of the Conference in 1941, and served until 1951. Brother Vaughan answered the roll call of the Conference for 66 consecutive years. He was Superannuated in 1945 but continued to serve as Treasurer for six years. He represented his Conference two times during his long ministry at the General Conference.

In recognition of his faithful and untiring service to the Orphanage Home, Centenary College conferred the Honorary Degree of Doctor of Divinity upon him. During the time he was with the Orphanage, he had to travel many miles all over the State trying to raise money to keep things going but his faith never dimmed. Under his leadership this institution grew from a very small beginning to one of the finest institutions of the Methodist Church. It would be interesting to know the number of children who came under the influence of Brother and Mrs. Vaughn. It was a joy just to see the many children as they returned to the Home for the homecoming and see the expression of love that they felt for them.

Brother Vaughan was great in his fidelity. He was faithful to every trust that the Conference assigned to him. He was great in his faith. Like St. Paul, he knew Whom he believed and was persuaded that God was able to keep that which he had committed unto him against that day. He had the faith that challenged the best that was within him whenever the need was greatest, regardless of the cost.

The better you knew Brother Vaughan the more you loved him and the more you appreciated his faith and belief in the love of a Heavenly Father. It was the writer's privilege to know and be very close to him, and for this privilege I give thanks to God for he has meant much to me.

While he was Statistician and during the third year of my ministry, he came to me and asked if I would help with the Statistical work. I worked with him on this until the union of the churches when accepted the office of Treasurer of the Conference and he asked me to take over the Statistical work. Then in 1949 he asked me to help him with the Treasurer's work as his eye sight was failing him at this time. I worked with him in his office which he maintained in his home for about three years then he asked me to take over the Treasurer's work. During this time I came to know him very well, and I have never known a more consecrated man, and I shall never forget the many blessings that I have had from knowing and working with him.

He lived in Ruston for about 52 years. After he retired from the Orphanage he built his home in Ruston and continued to live there until his death. When he retired from the Orphanage in 1937, and was Superannuated in 1945, he did not retire from the ministry as he was called many times to fill appointments, perform marriages and hold funerals. He taught the men's Bible Class at Trinity Church for several years.

Brother Vaughn loved and trusted every one. A great life has fallen, and left a vacancy, but his influence will live on, pointing those of us who remain to the Lamb of God that taketh away the sins of the world. Death came as no surprise to the many friends

and loved ones. After his wife's death he said to me so many times, "Hearn I don't have much to live for; I can't do anything. It is better to go on." During the last few months as we talked together he seemed to have a longing to be with God in the Heavenly home. Jesus said, "The pure in heart shall see God." Brother Vaughan lived in that faith and today shares the reality of the anticipation which he cherished while here on earth.

Funeral service was held from the Trinity Church, Ruston, by the Rev. Douglas McGuire pastor, assisted by the Rev. Eddie Morgan and the Rev. J. E. Hearn.

MRS. R. T. WARE

Mrs. R. T. Ware was born at Old Hickory, Mississippi, March 4, 1885. She died at her home in Shreveport, Louisiana April 23, 1961. She was the daughter of Rev. and Mrs. M. M. Maddox of Mississippi. She gave her heart to Christ and united with the Methodist Church very early in life. She was married to Rev. R. T. Ware (deceased Oct. 16, 1949) on November 7, 1901. To this union was born seven children: Gaither, Gwetha, Gortha, Gorlie, Gaddis, Gardis, Guriell, who survive her.

Mrs. Ware was a sweet spirited, Christ-like woman who inspired everyone she met with her warm, loving, and cheerful personality. She made a real contribution to her church through the Woman's Society of Christian Service, and the Church School. She received the Life Membership Award from the W.S.C.S. in the Park Avenue Methodist Church of Shreveport, Louisiana, in recognition of her faithful service.

She was truly a help-mate to her husband and served with him at the following appointments: Noble, Belmont, Mooringsport and Oil City, Vivian, Texas Avenue. Park Avenue, Chaplain of the Charity Hospital, Shreveport from 1939 until his death in 1949.

It was my high privilege to serve as the pastor of Brother and Mrs. Ware for seven years at Park Avenue. I was in and out of their home numbers of times. I knew it to be a home of the Open Bible.

On Sunday morning September 30, 1945 at the morning service Brother Ware asked for a personal privilege. He came to the pulpit and presented me with a Bible, and on the fly leaf were written these words by him:

GOD'S GIFT TO MAN T H E B I B L E

When all other gifts are faded, and by nature passed away;
This gift will be as fresh as the morning dew, as marvelous
as the break of day.

When all other gifts have failed to comfort, or your aching
heart inspired,

This gift will greatest comfort bring, and set your soul
on fire.

When dearest friends are forced to leave you alone, in
the grim hand of death;

This gift will still sustain you, with a sweet caress.

And too, when your soul shall have gone to dwell among
the blest;

This gift will be your passport there, with it you will stand
the test.

This is not my gift at all,

If it were it too would fade;

It is the gift of the "Great I Am", to you

The sure foundation laid.

*Presented to Rev. W. O. Lynch, Sept. 30, 1945,
by R. T. Ware, a true friend.*
